David McKinnie Boney, Jr.

In Memoriam

A Letter

I had the good fortune to work with Dave Boney in a variety of ways. I played on his freshman basketball team and enjoyed a record breaking four-year tenure on his JV baseball squad. In the classroom, I was entertained almost daily by some of the most creative math problems that one can imagine. Yes, at that time, he was a math teacher.

In 1961, when I returned to St. Christopher's as a teacher, Dave had moved into the history department and was beginning to establish his fame as the czar of European History - with a particular emphasis on Adolph Hitler. In athletics his success at the lower levels soon allowed him to move to the Varsity arena, where he

did quite well also.

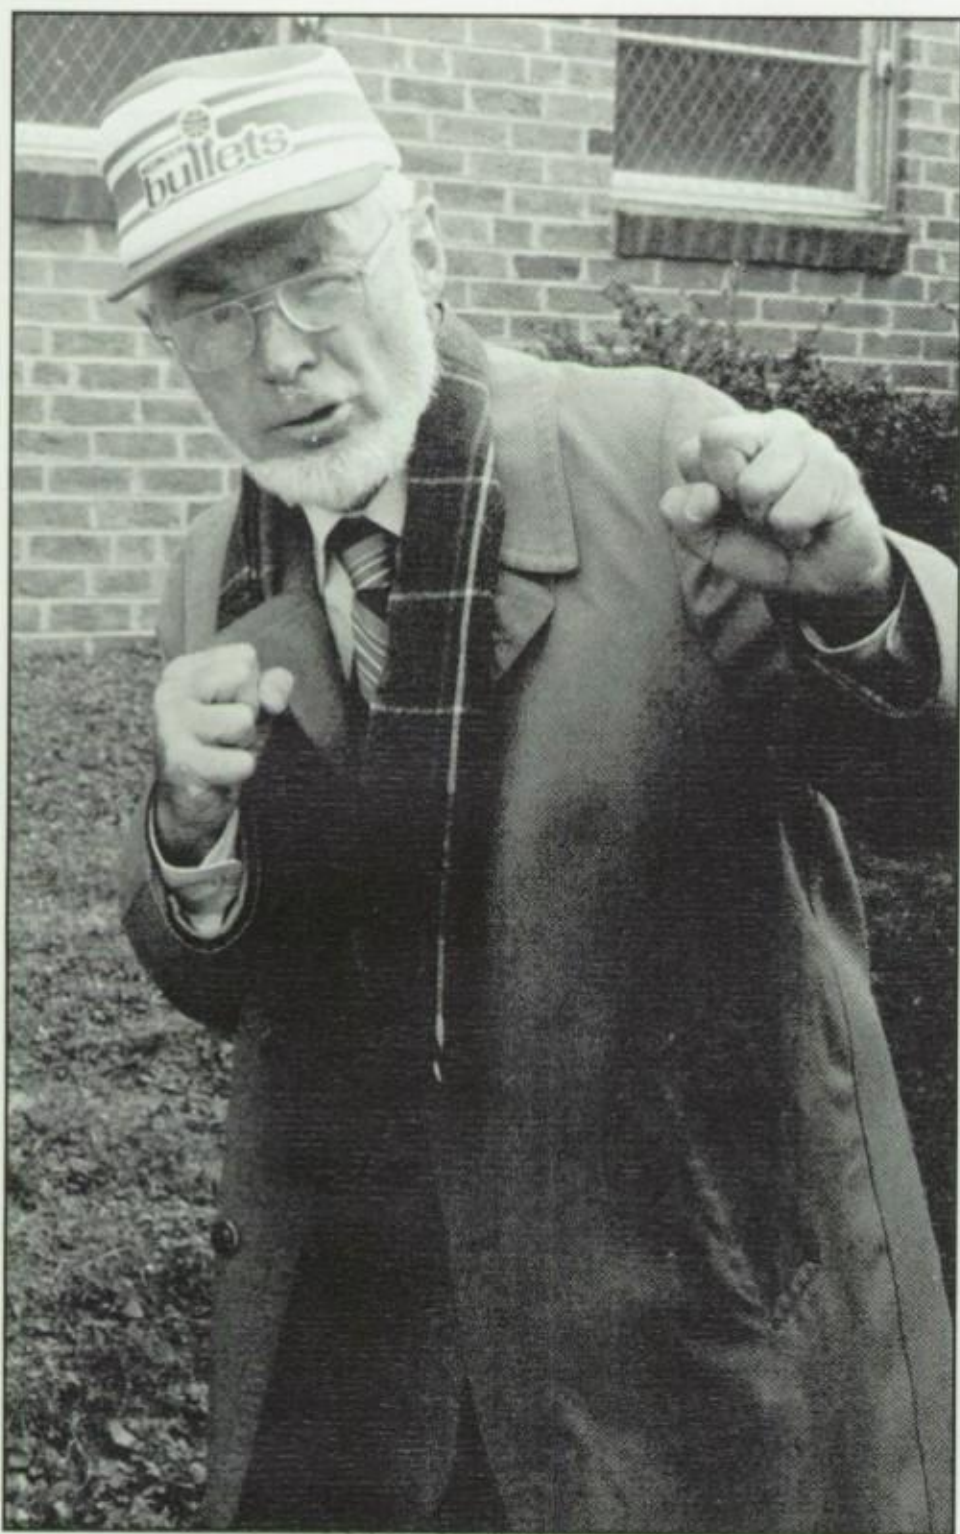

After retiring from coaching, Dave focused his attention on history - not only European, but also African, Afro-American, Asian, and even local. Course work in the summers seemed to "rev up" his engine for a new offering in the fall. He never lost that enthusiasm.

Through all these years, Dave never wavered in his support for minorities. Students from his early years were as familiar with Jackie Robinson and Luke Easter, as recent ones were with Martin Luther King, Jr. It is fitting that a scholarship has been established to continue his efforts. In fact, during the

past year one of the things that kept his spirits up was the influx of gifts to this fund, and the opportunities which they provided for Dave to correspond with the donors - friends, old and new.

David McKinnie Boney, Jr. was a good man, a wonderful teacher, and a close friend. We will miss him.

- George J. McVey

Dave brought a special energy and excitement to his work - and it was contagious! - **Robert W. Herzog**

Dave Boney was a "character" of the first rank who will be fondly remembered by generations of students and colleagues, not only as a witty and flamboyant teacher, but one who truly cared about his fellow man, especially the underdog. - **Rives S. Hardy**

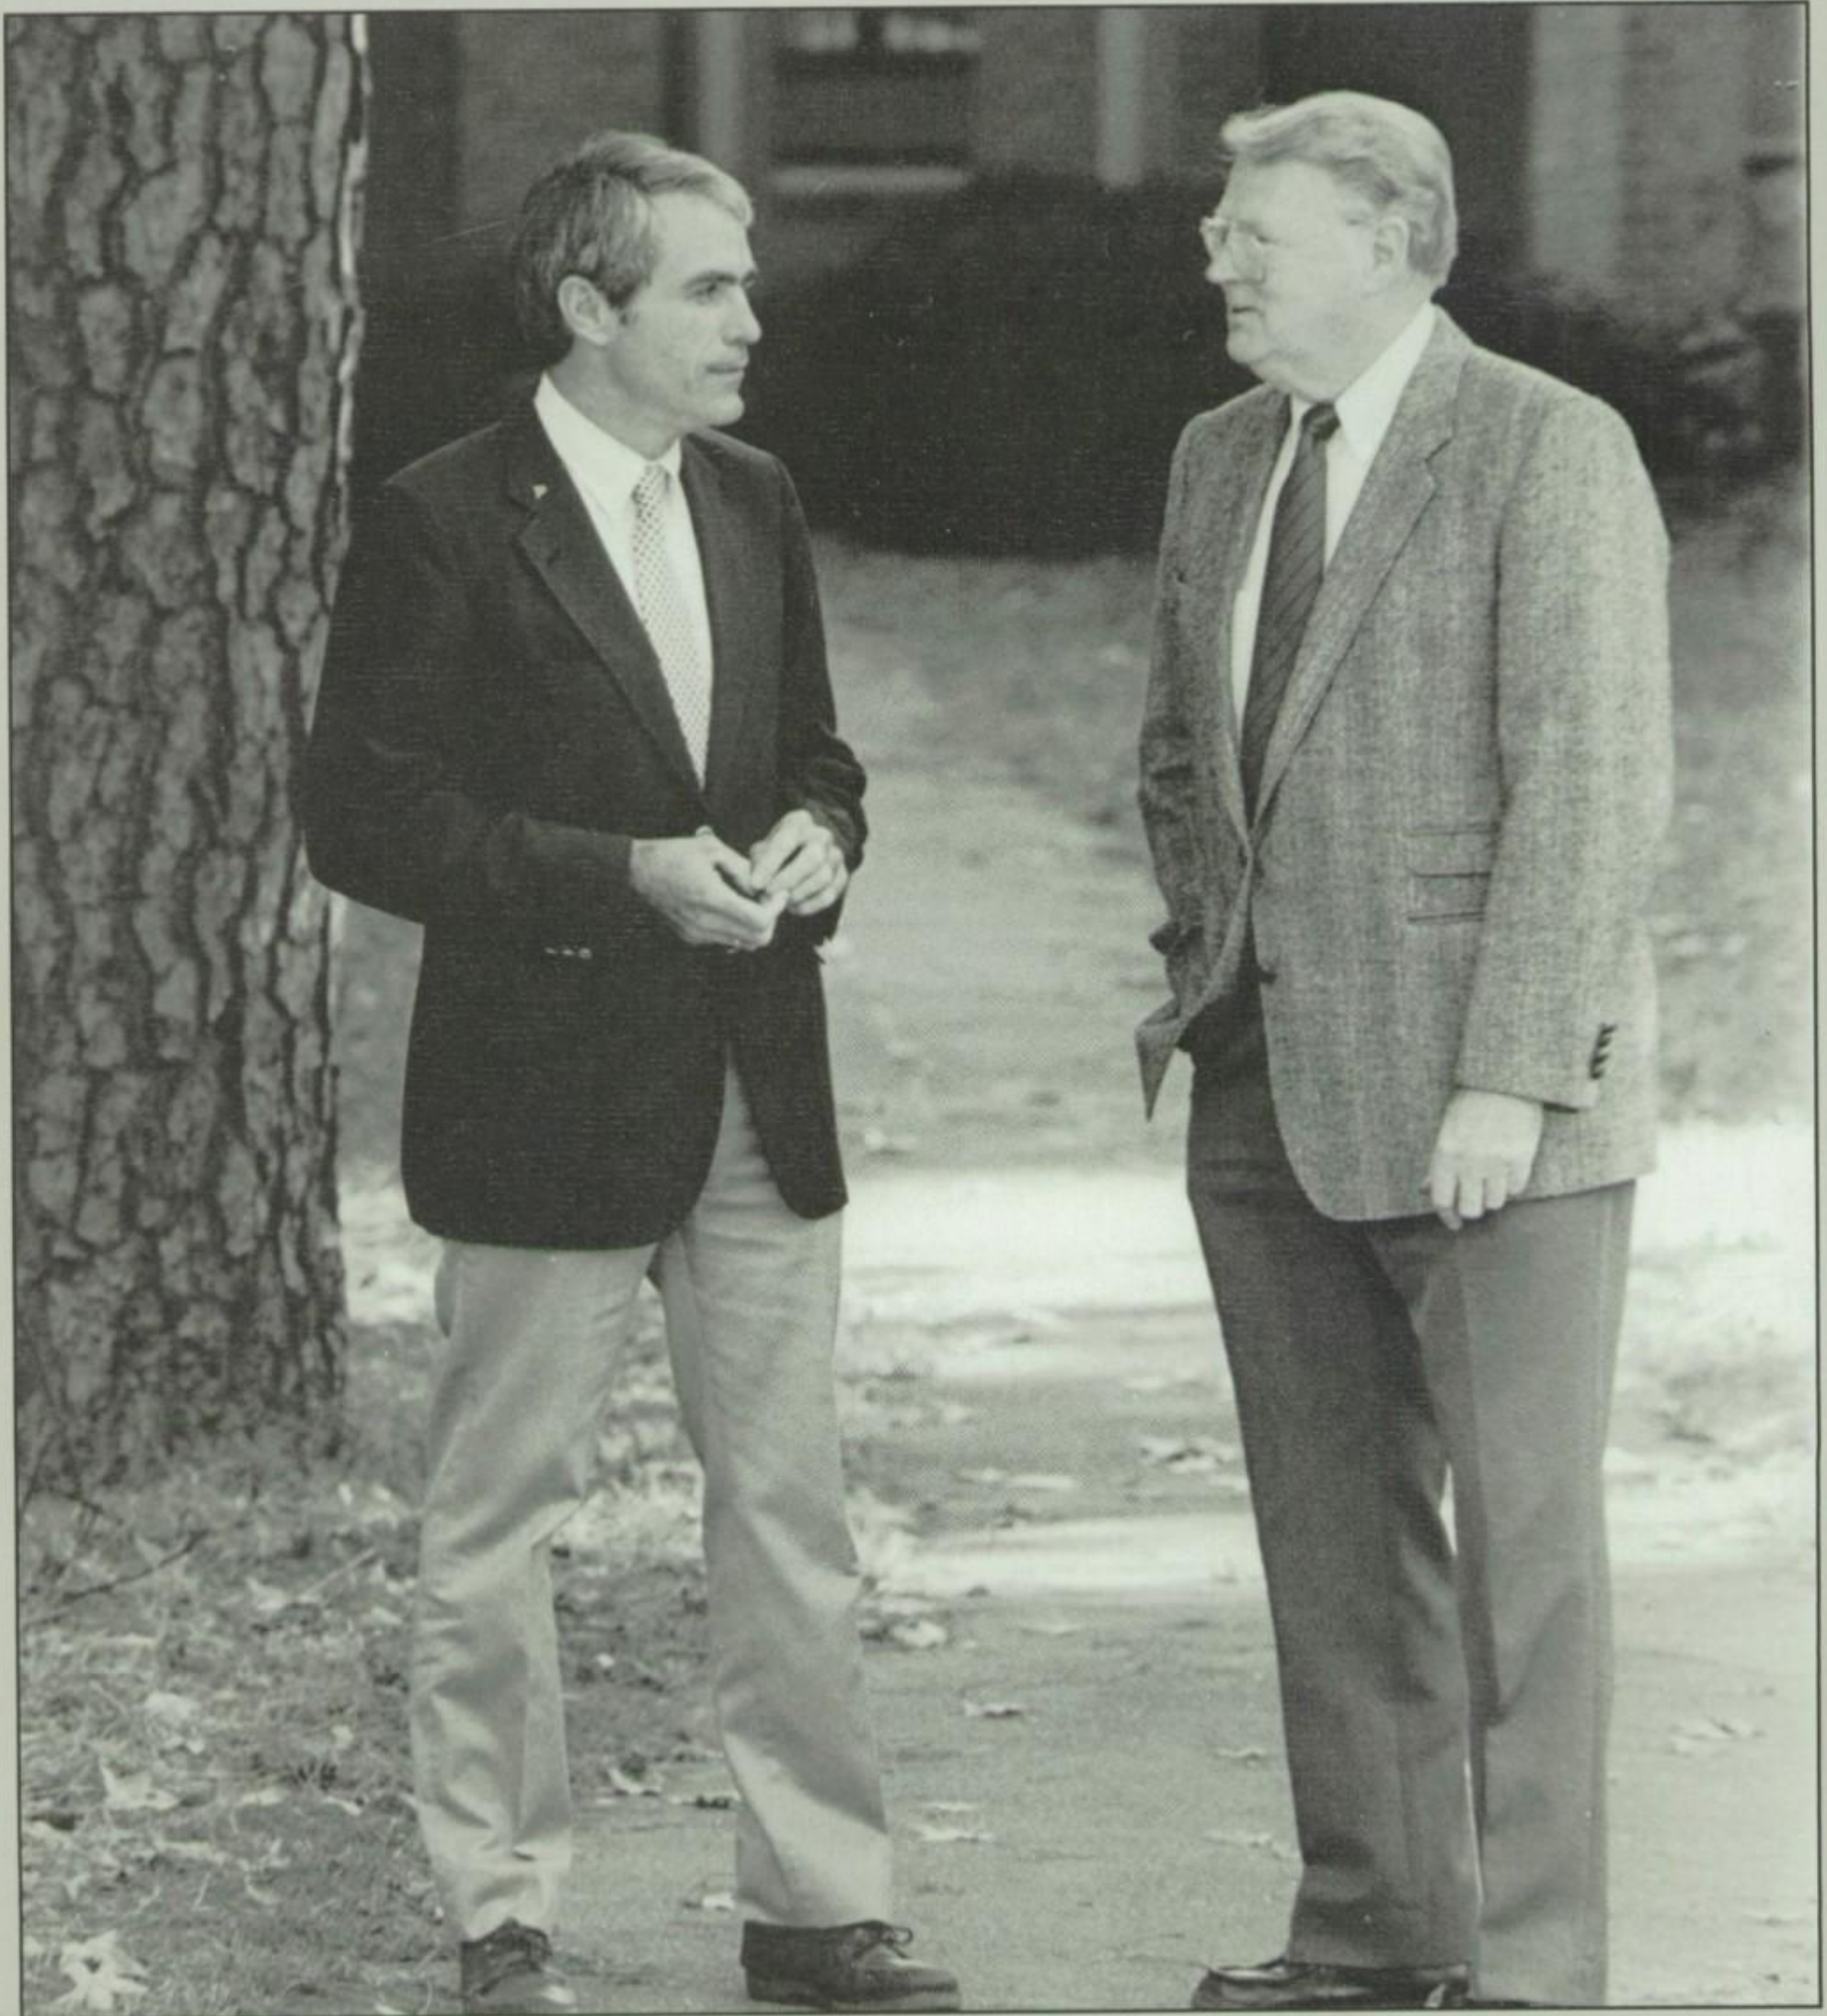

Dave Boney ... was both kind and demanding, and set a great example for both students and masters of discipline, generosity, and tolerance ... he was, essentially and always, a man of peace and of the life of the spirit. - **George O. Squires**

His enthusiasm for student-teacher harmony promoted a higher character in us all. - **Sam Farnham**

GUIDANCE

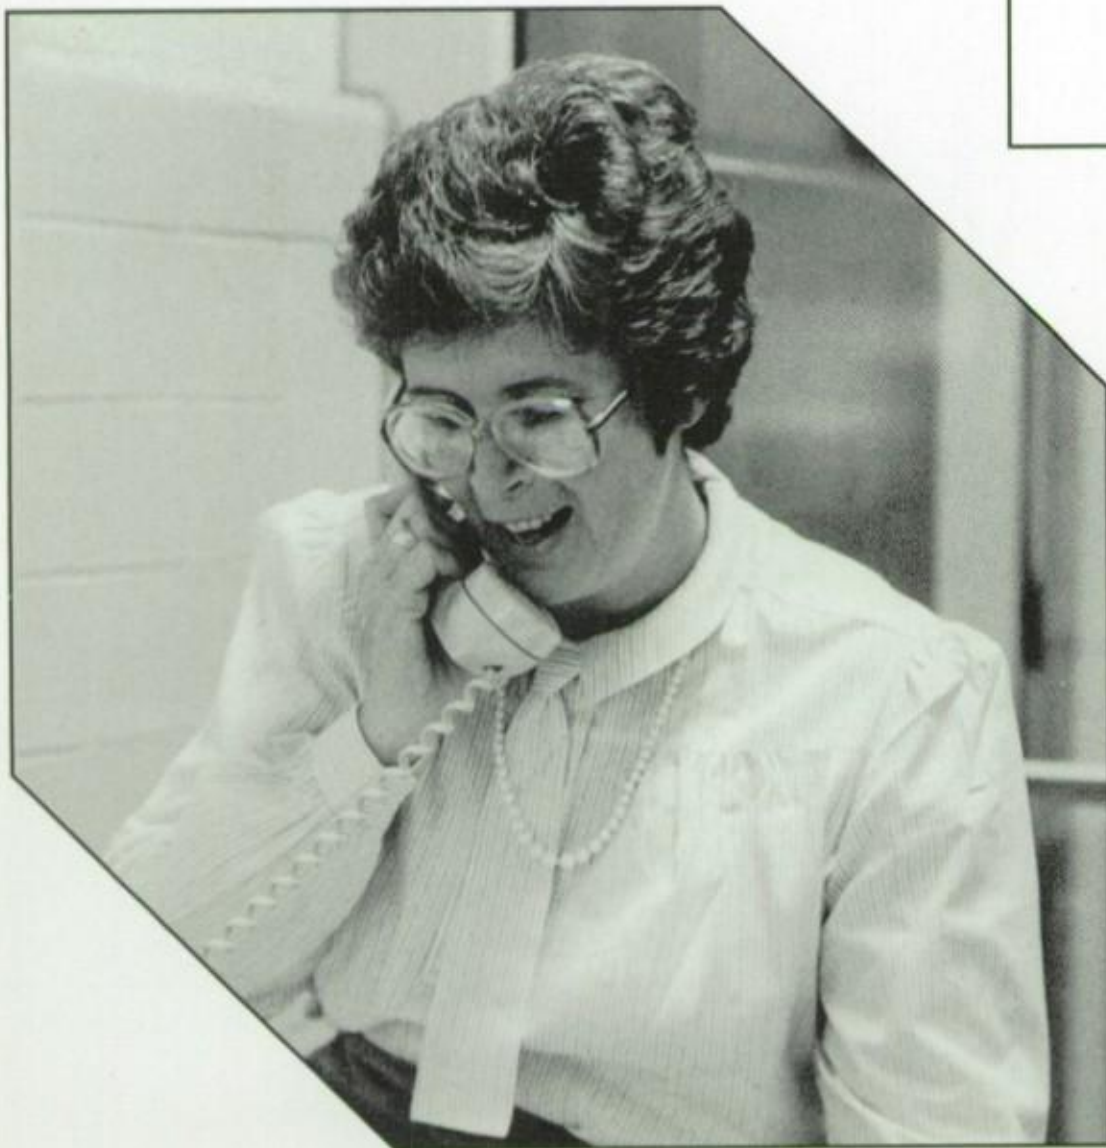

ROBERT W. HERZOG-Director of Guidance and Athletics

The overwhelming success of the Guidance Department depends upon the teamwork, experience, and extra effort displayed by its members. Mr. Herzog, who founded and heads the Guidance Department, is entering his twenty-fifth year of work at St. Christopher's. Mrs. Camp and Mrs. Adamson sport six and eight years of experience respectively. The result of pooling their forty years of experience is a Guidance Department that has helped its students get accepted at all of the Ivies and many other major colleges and universities in every section of the United States.

On the average, a senior hands in five applications. The job of getting each student into the college of his choice keeps the Guidance Department busy. Before sending the application off, Mr. Herzog, Mrs. Camp, and Mrs. Adamson must process each one, a procedure that involves countless hours of work.

The trio takes great pride in providing each junior and senior with careful one-on-one attention. Mr. Herzog, Mrs. Camp, and Mrs. Adamson make themselves available to each student by stressing their open door policy. In fact, by the time each student has turned in his applications to the Guidance Department, he has met at least twice with Mr. Herzog to discuss his specific "game plan."

Time Out

The Mighty Saints could dutifully return to Mr. Herzog his beloved Director's Cup.

Raps & Laps

"Better late than never" will become the new yearbook motto as Hunter Publishing will lose a devoted customer.

Desperate after vain attempts to find Mrs. Abbott, Montgomery McGuire will satisfy his romantic aspirations by serenading an innocent Parisian bystander. Needless to say, his compatriots may even score well in their own French connections.

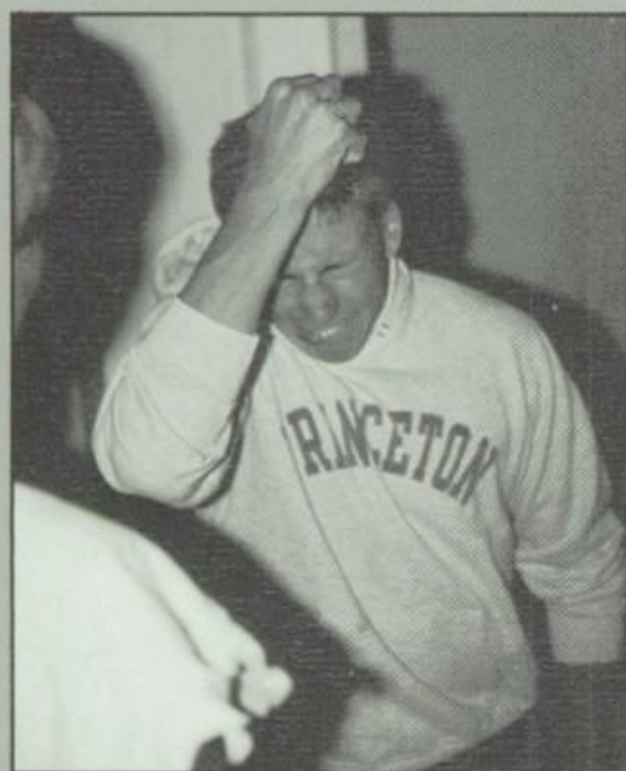

Andy Vorenberg and Will Ferguson will be caught embezzling over \$300 from their lower school Math-a-thon earnings.

The 1987-'88 Battle of the Brains Team.

Seniors will mourn the passing of their last year at Saint Christopher's.

During Senior Week, Ben Ackerly will find new ways to test his strength.

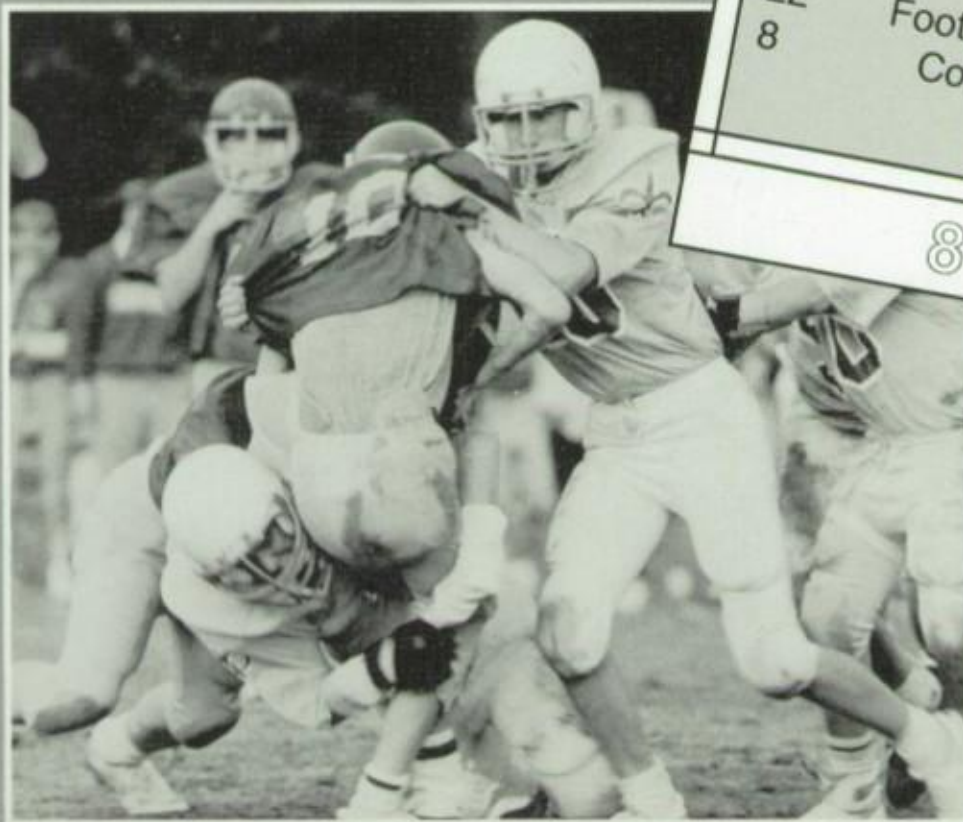

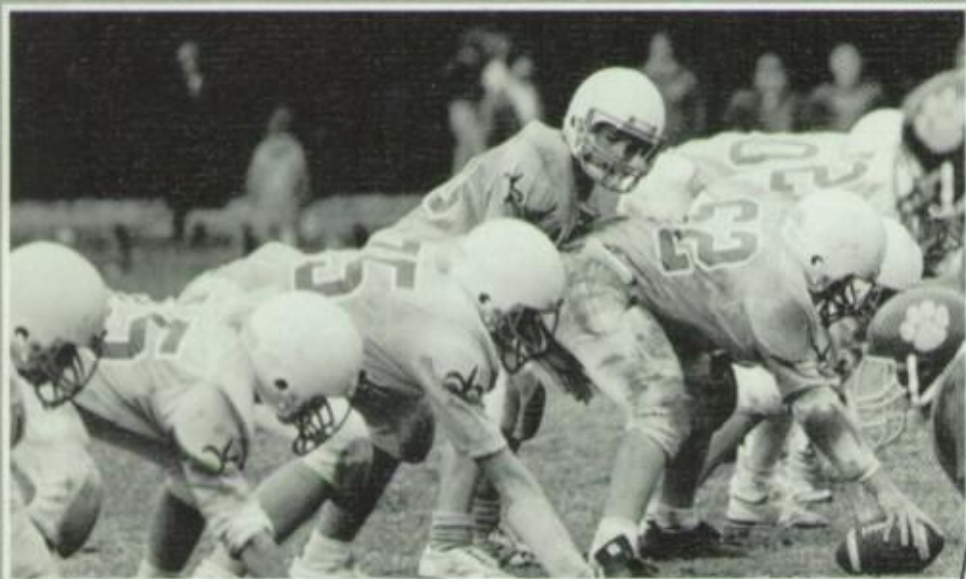

Matthew Farley and Charles Hamilton will dabble in Indian war paints as they prepare to do battle with Bino's house on 45th street.

...Just A Look
At What Could Happen

Getting Along

One of the many unique facets of St. Christopher's is the special student-teacher relationship that the school fosters. This genial relationship creates an open and caring feeling that transcends the classroom and affects all aspects of school life.

The mood this special relationship causes is evident from the moment one steps on campus. One of the first things that new history teacher Scott Kennedy noted about St. Christopher's was that "The faculty and students seem to be very happy and content. There are no ill feelings between them. The mood is very positive." The students share Mr. Kennedy's feeling. They feel that this positive atmosphere helps them relate better to the teachers. Says senior Marc Nystrom, "When you're sitting in class, and the person standing up and talking is your friend, you are more likely to listen and respect the things he has to say."

The fact that the teachers have roles on campus outside of the classroom helps to spread the good feelings over the entire school. It is almost impossible to walk across the campus without seeing students and teachers walking together and talking amiably to one another.

Perhaps English teacher Tony Szymendera best sums up the feelings of the teachers at St. Christopher's: "Teaching here is more than a job; the teacher here must care about students friend-to-friend, not just student-to-teacher."

MAINTENANCE

SHOP

Milorad Miljevic, Alvin Bishop, Casey Jones

Perhaps the most overlooked group at school is the Maintenance Staff. Because the members of the staff are not involved in education, they frequently go unnoticed. Yet, without the Maintenance Staff to keep things running, the school would be crippled. As maintenance supervisor Mil Miljevic points out, being overlooked is a compliment in way, for it tells him that things are running smoothly in the school.

Mr. Miljevic has a simple philosophy for his crew. He stresses that each job they take care of should reflect the respect, the know-how, and the pride they all feel for their work. The Maintenance Staff consists of Mr. Miljevic and Casey Jones, who take care of all the mechanical problems around school, Bubba Garner, Ernest "Beau" Morton, and Esau Couser, who make up the grounds crew, and Alvin Bishop who drives the bus and is responsible for its upkeep. It is this group of men who are responsible for keeping the school in working order, and they deserve thanks for the great job they do.

UNDERCLASSMEN

Being an underclassmen at St. Christopher's is a learning and growing experience. Underclassmen use the time they spend in the ninth through eleventh grades to learn how best to lead the school as a senior.

Freshman year is spent adjusting to a brand new system. Going to classes at St. Catherine's and being introduced to new school activities, such as AFS, are just two examples of changes the freshmen are confronted with in his first year of Upper School.

In the sophomore year, the underclassman has adjusted to the big change. Instead of trying to figure out how the school works, the tenth grader can spend his time on larger commitments to the school. Through participation in Varsity sports, and a greater influence in Honor and Student Councils, the sophomore gets his first real taste of responsibility.

Leadership roles, second only to those of the senior, are taken on during junior year. These roles, be they on the "Pine Needle" or the band, provide the junior year with leadership experiences that will prove invaluable as a senior.

A successful underclassman experience is important because the rest of the school will look up to the student, who as a senior, must set the tone for the school to follow.

Sleep faster, we need the pillows.

Yiddish Proverb

Nothing so much prevents our being natural as the desire to seem so.

La Rochefoucauld

All that is good in man lies in youthful feeling and mature thought.

Joubert

Theron Potter Bell, IV

The only real game, I think, is baseball. You have to grow up playing it, you can't wait until you're 15 or 16. You have to live it, dream it, and love it. And, if you're talented, you're bound to come out on top in the end.

Babe Ruth

Sometimes you gotta say, "What the Hell," and make your move.

Risky Business

While dreaming, the sky flashed scenes from a man's life. For each scene he noticed two sets of footprints in the sand, his and the Lord's. He noticed that during the troubled and saddest times in his life he saw only one set of footprints. So he asked the Lord, "Why did you desert me, when you said you would be with me all the time." The Lord answered "My son during your times of trial and suffering when you see only one set of footprints, it was then that I carried you."

Honor Code

On my honor as a gentleman, I have neither given nor received any help on this paper; nor am I aware of any breach of the Honor Code.

Advisor Sandy West, Secretary Chas Hall, Chairman John Siegel, Advisor Lee Camp

A Letter from the Chairman

The purpose of an Honor System is to instill a sense of honor and integrity among the members of a community. Composed of students who have been chosen by their classmates to serve a one year term, the St. Christopher's Honor System ensures these essential qualities are emphasized in a student's education.

The primary goal of the Honor Council is to create an atmosphere of trust around the campus. To achieve this the council holds class meetings and conducts seminars to assure awareness of the system around school. If a breach in the system is suspected, the council calls a trial to determine the innocence or guilt of the accused party. If the student is then found guilty of breaking the Honor Code, it becomes the job of the council to decide upon a just punishment. However, the council's job is not complete until the student thoroughly understands why his actions warranted reprimand.

The Honor System makes St. Christopher's a very special place to attend high school. Trust among all members of the community is the cornerstone of the life long relationships that form during a student's tenure at St. C., as some of the most valuable lessons a student learns about a personal sense of honor occur in informal situations around campus.

Since the founding of St. Christopher's, the Honor System has been an essential part of school. It is the school's proudest tradition.

The Chairman

Student Council

Taz Speaks

Under the leadership of Taz Carrington, Chairman, Sam Farnham, Vice-Chairman, and Allen Ferguson, Secretary, the Student Council set out to act as an effective liason between the students, the faculty, and the administration.

The vigilante attitude of Jimmy Knott and others forced the Council to once again address the shirttail issue. The Council's ultimate solution was to encourage student cooperation and allow a gradual expansion to the acceptability of some shirttails.

In response to the urgency of Geoff Switz and Greg Katz, the Council initiated an intense revision of the School's sex education curriculum.

On behalf of the Student Council I thank Mr. Bolling and Mr. Pasco for their time and insight which were essential in executing a banner year.

Vice-Chairman Sam Farnham, Mr. Bolling, Chairman Taz Carrington, Secretary Allen Ferguson.

Carter Hubbard, Patrick Schubmehl, Cole Durrill, Lee Fiedler, Greg Easley, Allen Ferguson, George Dunston, Taz Carrington, Paul Gilman, Sam Farnham, Advisor Bolling, Parker Davis, Will Herring, Jesse Williams, Billy Kerkam

AMPERSAND

Rolf Briegel, Caroline Wicking, Will Armstrong, Mathew Rankin, Anne Walker, Amy Marrinan, Emory Elmore, Elinor Buxton, Natasha Morse, Angela Mills, Mickey Billingsly, Terri Hubbard, Sally Ellyson, Sioux

Erin Fairmain, Meagan Stone, Francis Park, Bryan Epps, Peter Imajo, Anne Ernest, ReRe Lawrence, Fred Reeves, Jennifer Sihler, John DeShazo

Stuart Gunter, Patty Sauls - Director, Maury Hancock - Technical Director, Doug Camp.

Sioux - President, Rolf Briegel - Vice President, Terri Hubbard - Tres., Stuart Gunter and Elinor Buxton - Members-at-large

Ampersand, the joint Drama group of St. Catherines and St. Christopher's, performs three plays a year. To become a member of the organization, a student must work on two different productions in two different capacities, and must demonstrate enthusiasm while doing so. However, anyone can try out for a part or work on any of the nine crews which involve all theatrical aspects.

For 1986-87, the crewheads were Mickey Billingsly and Rolf Briegel for stage, and Natasha Morse and Caroline Wicking for sets. Terri Hubbard and Shannon Roberts headed lights, Stuart Gunter sound, and Anne Ernst and Amy Manarin props. Erin Fairman, Megan Stone, and Anna Tobler were in charge of costumes, Anne Ernst, make-up, Will Armstrong publicity, and Daniella Katz house.

Just as each crew has its head, Ampersand itself is headed by the Executive Committee, made up of five people. This year Susannah Anderson was president, Rolf Briegel Vice President, Terri Hubbard Secretary/Treasurer, and Elinor Buxton and Stuart Gunter were members-at-large. In addition to the Executive Committee, Ampersand is run by Patti Sauls, one of the directors, along with Carolyn Paulette, and Maury Hancock, Technical Director.

A culmination of eight weeks of preparation, each production is performed on three successive nights, and is open to the public for a small fee.

THE PINE NEEDLE

The school newspaper since 1915

First Row: Brian Stygar, Bill Laughlin, Nelson Allen Second Row: Will Maupin, Otto Williams, Brooks Smith, David Jones, Bill Lamb, Hugh Stevenson, Kevin McSweeney, Marc Nystrom, Harry Grymes

A year to Remember

For three years we wrote one or two articles for each edition of *The Pine Needle*. A couple of us had seen a layout done once or twice. It was a relatively inexperienced senior staff that gathered for the first meeting.

The group was as diverse as it was inexperienced. We had nothing in common save the paper. Yet somehow, perhaps because of our freshness and diversity, everything seemed to click from the start. There was Chris, the quiet hard working typist. Our other typist, Coco, was equally hard working but not so quiet. Then there was Song, our sponser connection, Hugh, who provided the comic relief, and Harry, our resident radical.

Kevin was in charge of ventilation, Marc provided the good looks, and Otto and Brian served as the layout machines. Bill Laughlin tried to build us a slush fund, Brooks was, Brooks, and Bill Lamb was our fearless leader.

It was a year to remeber. We added new features, such as the "Up the Road" segment, while respecting the traditional aspects of Richmond's oldest school paper. There were hard times. We pulled together when the administration and El Bobber made us paint over our "graffitti" in the office, not to mention the "damage done" incident. The good times far outweighed the bad: the Midnight Dips, the feeling of pride when the paper arrived, and of course the great friendships that developed are things that the staff of the 1986-87 Pine Needle will never forget.

Jost Ahrens

Mike Eareckson, President Farley, Vice-President Jones, Secretary McCoy

When I got the chance to come to Richmond as a foreign student, there was no hesitation.

To come to another country for a year is a great thing. It is an excellent opportunity to learn about a different culture, to make new friends, and to become fluent in a new language.

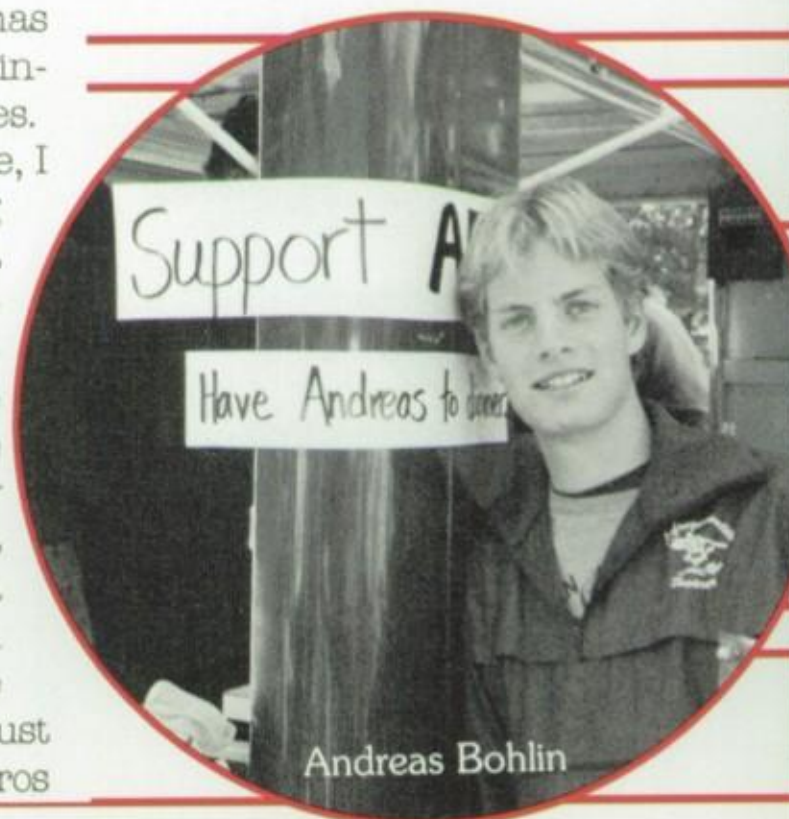

You get to live in a new family and you have to adapt to many new things; you have the same responsibilities as if it were your own family. You have to take up new customs.

For me, from the moment I

said goodbye at the airport, it was a whole new year. It has been an exciting year full of interesting and fun experiences.

In the beginning, of course, I felt a little bit lost, not being used to the language. I didn't know anybody, but after soccer practice and school started that changed fast. As the weeks passed by I felt more and more at home and very comfortable thanks to great friends, helpful people, and a nice environment. Sweden and the USA (Richmond) are very much the same. It's just details that differ.

STUDENTS AGAINST DRIVING DRUNK

Whitaker, Schroeder, Norfleet, Nelson, Nelson, Power, Carmody, Lamb, Clarke, Parker, Laughlin, Jones, Stevenson, Allen, McSweeney, Vincent, O'Ferrall, Perrins, Reynolds, Sessoms, Zakaib, Whittaker, Cox, Duke, Brodigan, Briegel, Chapman, McLeod, Addison.

St. Christopher's-St. Catherine's Students Against Drunk Driving was founded in the fall of 1985. Governed by an Executive Board of eight members, the purpose of S.A.D.D. is to reduce the number of drunk drivers on the road and to alert students to the dangers of drunk driving. S.A.D.D. achieves

its goal through a public awareness campaign and the operation of a driving service, which has given an average of three people per weekend night safe rides home.

Executive Board: John McLeod, Brad Brodigan, David Addison, Rob Whittaker.

This December, Mr. Morris Wheeler travelled from Maryland to speak to the joint student bodies of St. Christopher's and St. Catherine's. Because of the death of his daughter

in 1981, Mr. Wheeler travels throughout the state speaking to various groups in the hope of saving lives. S.A.D.D. hopes to

bring more speakers and activities to St. Christopher's in the future and wishes to thank the student body for its support.

Reflections

Years from now, when St. Christopher's School is nothing but intangible memories, you find yourself travelling in a far-off corner of the world. An ethereal melody floats peacefully through the still air, striking a reminiscent chord in your soul. As you approach the source guided by the familiar tune (which once had little if no meaning), you discern the khakis, blue blazers and St. Christopher's ties which so often adorned the chapel in your school days. Yes, the faces have changed, but the St. Christopher's Glee Club members are still acting as ambassadors, bringing their message of excellence to the world through song.

The 1986-87 St. Christopher's Glee Club is proud of their accomplishments and hopes that the standards they have set will help to perpetuate the spirit of excellence which our school tries to foster. This year has been busy but rewarding. Highlights have included two evensong performances, a television taping of the Christmas concert at Second Presbyterian Church, a debut at the Diamond, participation in ceremonies to commemorate the bicentennial of the *The United States Constitution*, and a tour of central Florida. We hope that in some way we have raised your spirits and that we are part of your fond memories of St. Christopher's School.

If someday you find yourself in the scenario outlined at the beginning of this passage, we hope that you may realize how important the Glee Club was and is. Feel free to stop, listen, and reflect. And as you depart, we hope your pride in the school will be revitalized.

Winning Spirit

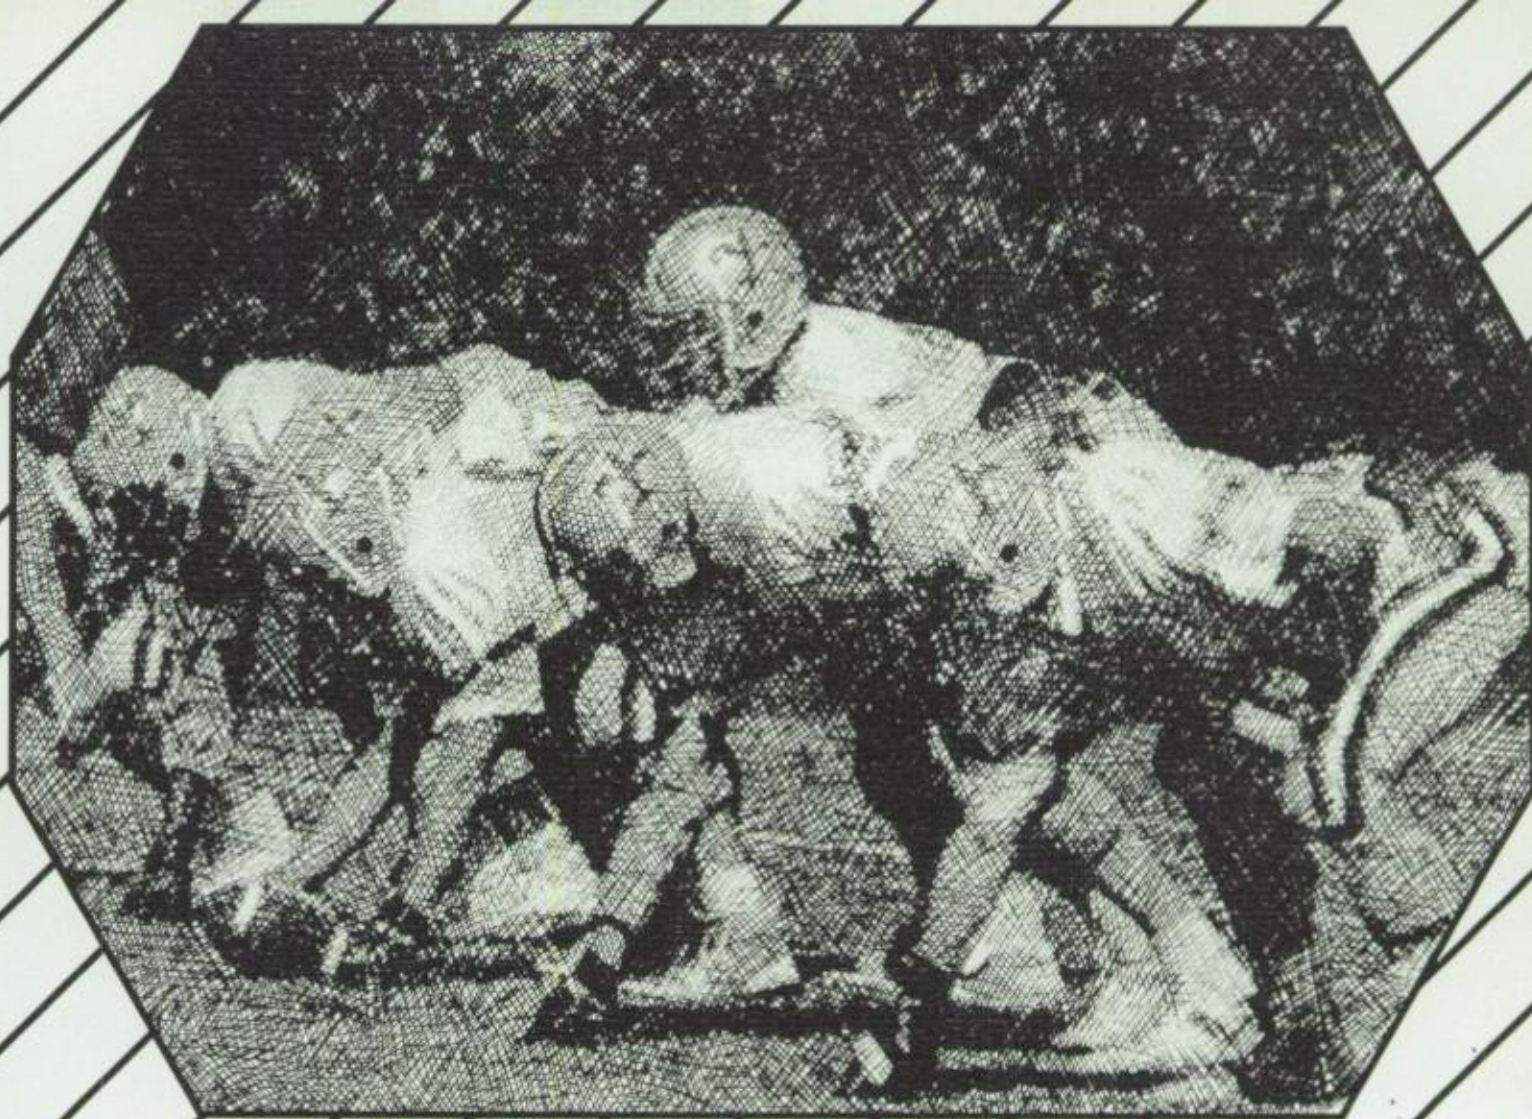

The 1986 varsity football season started with a pre-season prediction and goal of a first ever Prep League title. With all-prep cornerback Ben Ackereley and two year starter Al Carter returning to join an injured John Siegel as captains, the Saints had a strong core of leadership. Hand-in-hand with their leadership came a positive attitude, and strong work habits, both on and off the field, helping to unite the team over the course of the season.

The Saints opened the year by posting four straight lopsided victories over Prep League foes, as the big red machine rode solid team efforts in drubbings of Trinity, Norfolk Academy, Blue Ridge, and Fork Union. The Saints then dropped their first game of the year 7-3 to a strong Episcopal team. A closer than expected 7-0 win over VES set up a showdown between the Saints and Woodberry Forest. The homecoming game featured the two unbeaten teams in the league, but the game never lived up to its billing as the Tigers mauled the Saints 41-3. The last two games of the season were almost anticlimactic, as St. Christopher's dropped decisions to Nanesmond Suffolk and Colegiate.

Despite the late season tailspin, the good memories outweigh the bad. The season started in August, when a group of players gathered for the first summer practice. The year ended in November with a team in a drive for a common goal.

St. Christopher's finished the 1986 Varsity Football season with a 5-4 overall record, 5-2 in the Prep League. Though the dream was for greater things, a third place league finish was far from disappointing. Representing the Saints on the all-Prep list were Ackereley, Carter, Renard Charity, Brian Stygar, and Scott Caldwell. Many thanks to Coaches Kemper, Griffith, Pegram, Pratt, and Schechter.

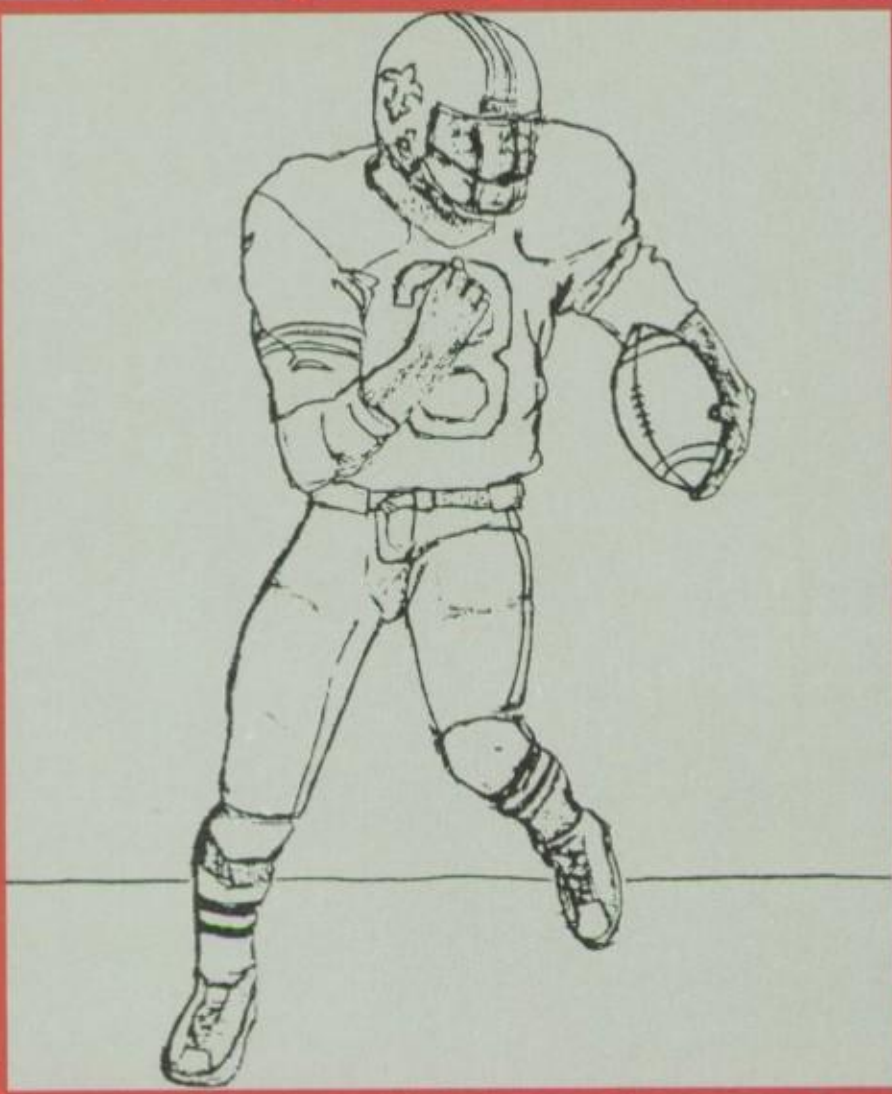

A True Saint

Long an integral part of St. Christopher's, Alvin Bishop has always been a favorite of the students. As part of the maintenance staff, Alvin is best known for driving the bus to athletic events. But he is much more than just a bus driver. Never content to wait passively for the return trip, Alvin is one of the Saint's most vocal backers. Even in unfriendly confines, when few other fans make the trip, Alvin is easy to spot by his red jacket and booming cheers. Of course, his skills behind

the wheel are legendary as well. Says senior Billy Waechter, "When you're sore and tired after a game, it's comforting to know that you've got Alvin up there to get you home on time."

For getting us there on time, for always being ready with a word of consolation or encouragement, and for remaining a loyal fan throughout, the senior class would like to thank Alvin Bishop.

Suprise Season for Saints

The 1986 Varsity Soccer season loomed as a question mark. Gone were eleven three year letterman. Arriving were seven talented but untested sophomores to join ten returning seniors. This blend of youth and experience laid the foundation for a team that proved to be one of the Prep League's finest.

The Saints started the season by dropping the first two games of the Peninsula Catholic tournament, but rebounded by drubbing Norfolk Catholic, Steward, and Trinity and fighting hard for a 1-0 win over Norfolk Academy. In the next game against Collegiate, the Saints' play was sloppy and they bowed 3-0 before returning to their winning ways with victories over Fork Union, Benedictine, and Blue Ridge. When the Saints next two games resulted in a tie with Woodberry and a loss to Episcopal, the Saints found themselves with a 7-4-1 record and fading hopes of a Prep League Championship. However, seven straight wins, sparked by another close defeat of Norfolk put the Saints right back into contention. In the final and most emotional game of the season the Cougars of Collegiate ousted the Saints for the Prep League Title.

All year long the Saints offense was led by All-Prep Jimmy Knott the league's second leading scorer, and co-captain Matt Ott, the leagues number three goal producer. Co-captain Chas Hall helped to keep the midfield solid while All-Prep Midkiff Farley kept things in check defensively.

Despite coming up just short, 1986 was a successful year for Varsity Soccer. Highlights for the season included a sweep of perenial powerhouse Norfolk, and the hard fought finish at Collegiate. Looking ahead, the experiences gained by the young and promising players should provide the base for another strong run at the league title next year.

Colin Wright-Captain

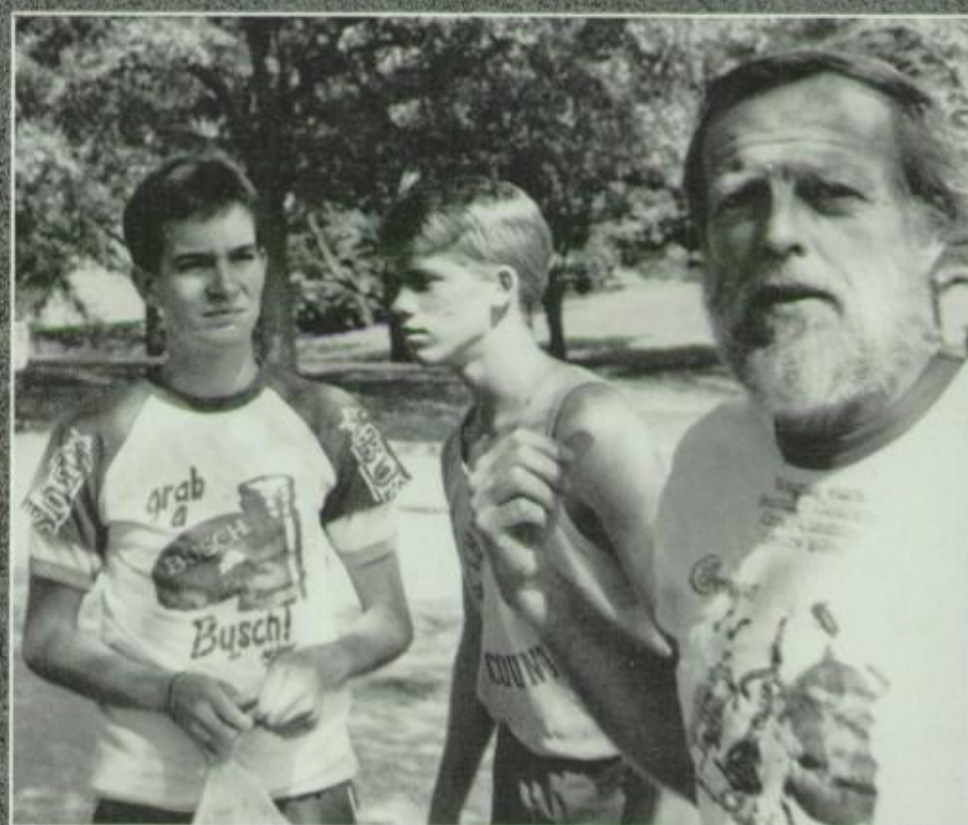

Harriers Third

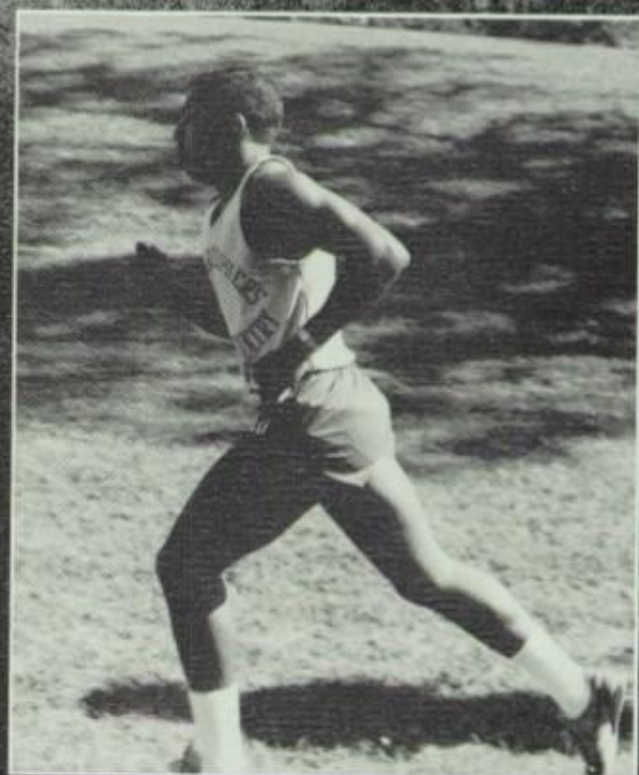

The season didn't end best for the Saints. The belt of lightning struck the team narrowly missing Harry Grymes and Colin Wright, who were out for a period of summer run. Luckily, the Express Cross Country recovered from their plight to launch the Saints to a season opening in triumph of Trinity. The next time disaster struck, it hit its mark with injuries threatening to doom the Saints as Van Hardenbergh and Grant Arceneaux left season-ending injuries. The injury-riddled team soon fell prey to Fork Union and Norfolk Academy. Beversing their trend, the Harriers, aided by newcomer Weber Smith and freshman Alexander Ellis, won two straight with victories over Blue Ridge and Benedictine. The Saints then traveled to Ellickville, Maryland, where Grymes and Wright led the team to a solid second place finish in the Georgetown Prep Invitational. On a roll, the Saints charged confidently into the State and Prep League Meets, finishing fifth and third respectively. Lickety Split Wright paced the team in these meets earning all-prep and all-state honors. The team finished the year a slightly disappointing 5-5, but the high the efforts of propagandist Grymes, the team finally earned the respect they deserve. Although the seniors will be sorely missed, a 9-2 J.V. squad shows promise of a bright future for St. Christopher's Cross Country. Good luck next year.

A Step in the Right Direction

Nobody knew what to expect from this year's Varsity Basketball team. Gone were three starters from last year's team, as well as long-time head coach Carl Koenig. But last year's team had won only three games, and "rookie" coach Dick Kemper had the tools to make the '86-'87 basketball season more than just a rebuilding year.

The team possessed a blend of youth and experience. Senior Captain Paul Gilman provided quiet, effective leadership all year. Seniors Hugh Stevenson and Tim McCoy lent offensive firepower, Stevenson from his position at center, and McCoy with his wide variety of long range jumpshots. Meanwhile, in the sophomore ranks, a star was being born. Time and again Cole Durrill excited the Scott Gymnasium crowd with his scoring and ferocious rebounding. To complete the picture, Rand DuPriest was a coolly confident junior point guard. Kemper also found he could go to his bench very effectively. Junior centers Michael Clark and Alan Wright allowed Stevenson some much needed rest. Sterling Henning and Chris Mumford filled in well at point guard, while John Street and Paul Doherty proved to be good scorers off the bench.

Going into tourney time, the Saints needed a win on the road over V.E.S. to ensure a top four seeding in post season play.

The Saints obtained this needed victory, but Because Trinity played one more league game than St. Christopher's, it gained the fourth seeding and the disappointed Saints entered the Prep League Tournament as fifth seed.

Kemper's young ball club and the Titans squared off in a memorable first round contest. Down to the wire Michael Clark and Paul Gilman led the fleshy Saints and a last second shot by McCoy gave the team a "W" in the opening round for the first time in several years. However, Blue Ridge wore down the Red Machine for the third time on the year to end the season.

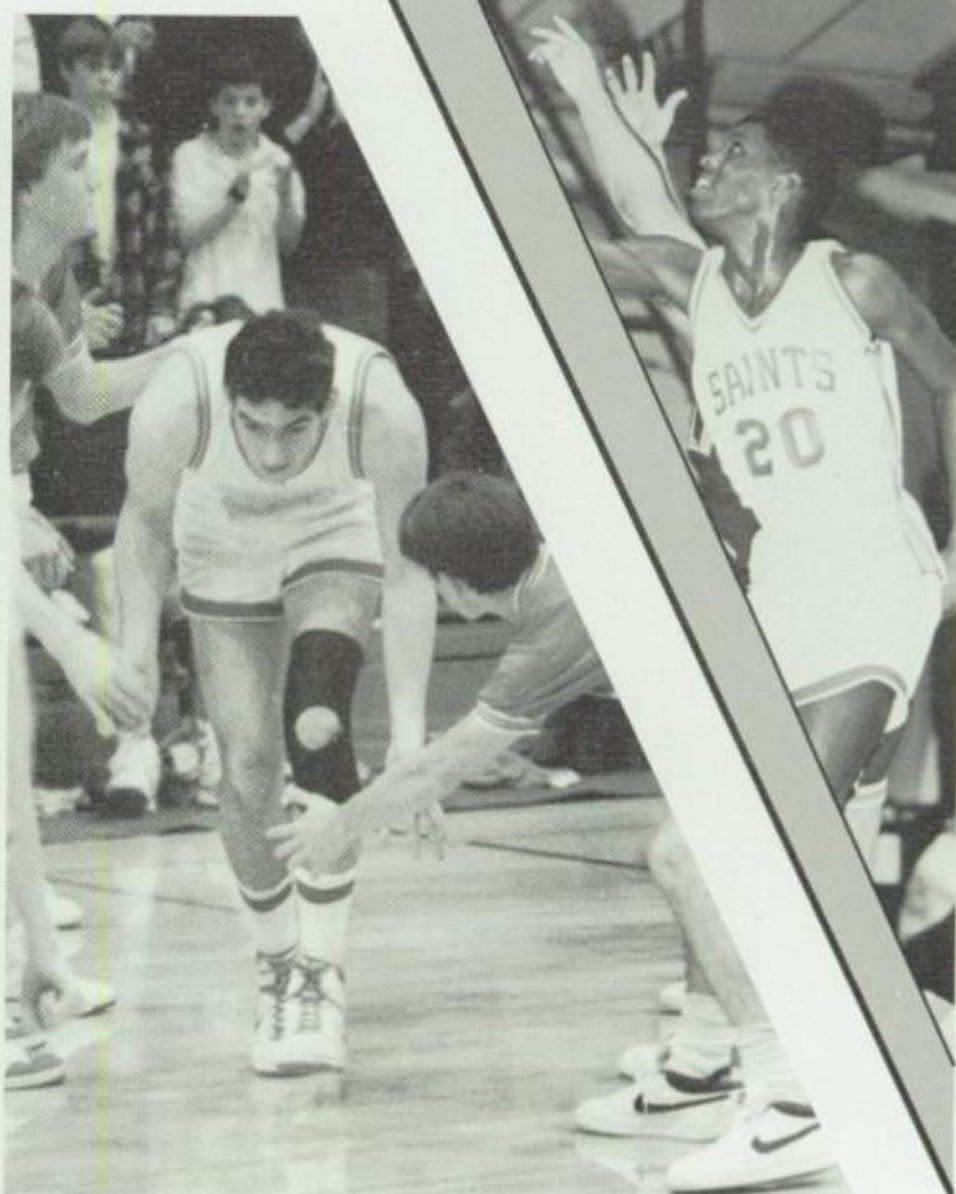

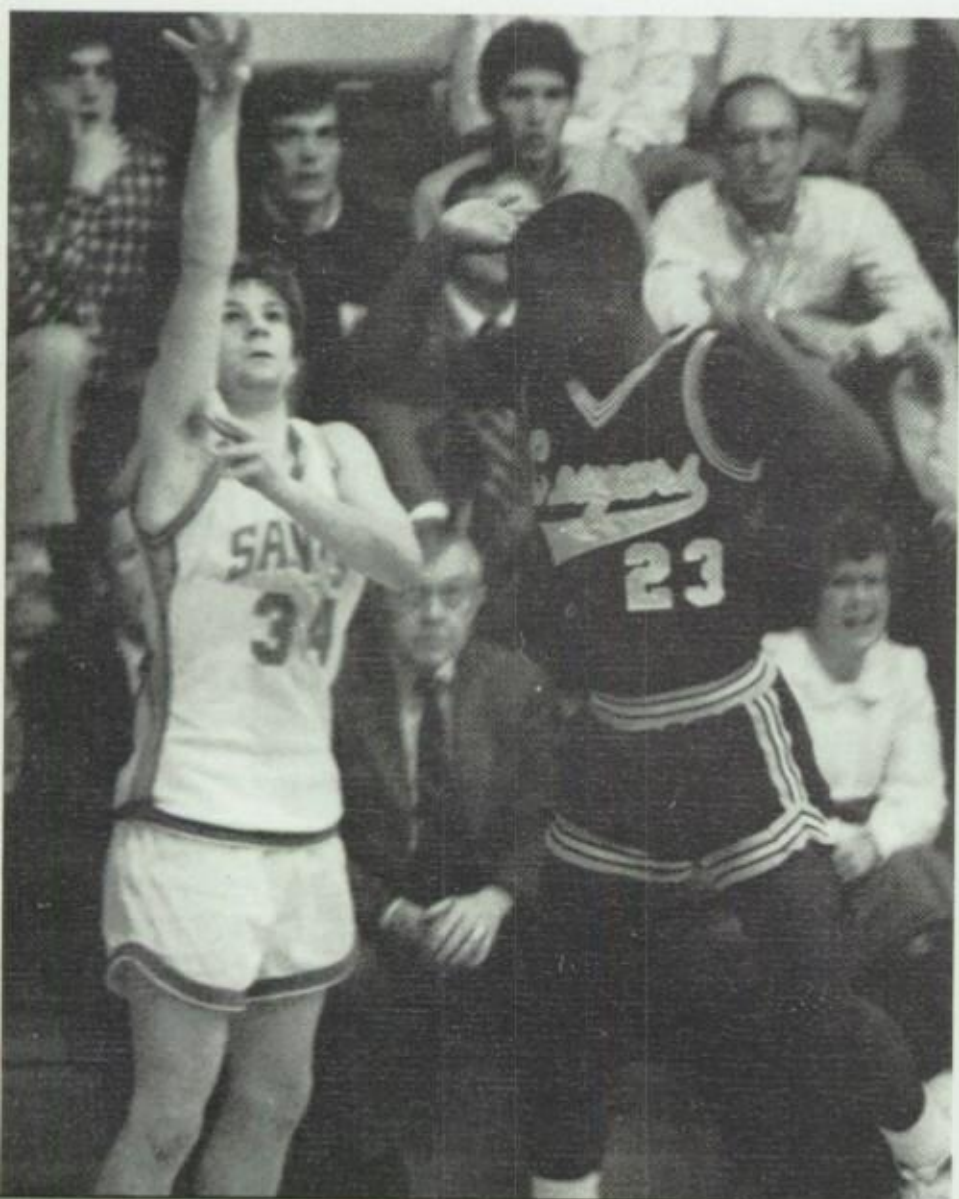

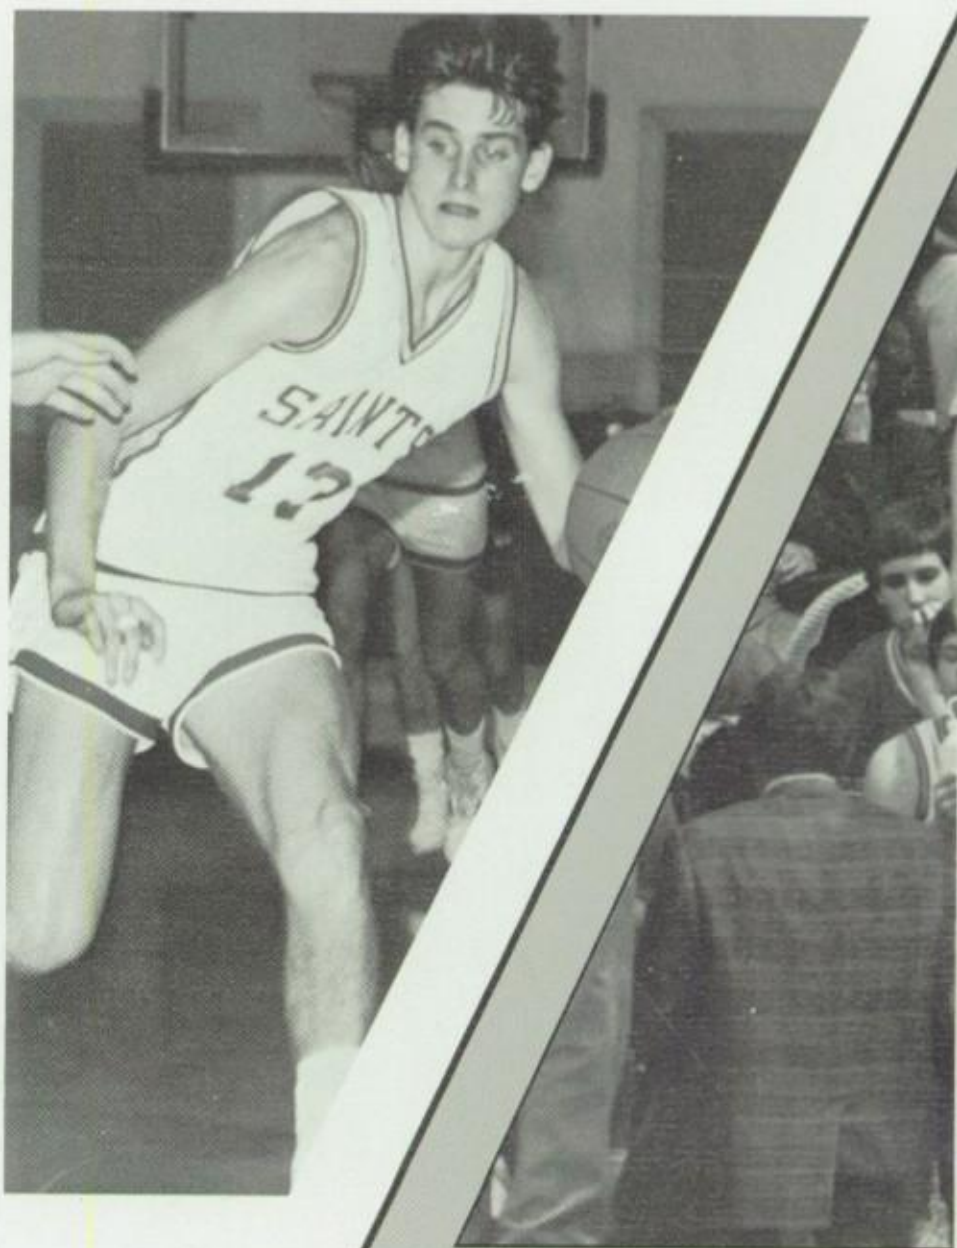

This years performance by the basketball team proved to be a welcome surprise for the devoted fans. It was certainly a step in the right direction.

Any talk of the 1986-87 Varsity Wrestling season starts and ends with the Cougar match on February 11. With hundreds of people packed in the small, hot wrestling room, the crowd remained on its feet throughout a seesaw battle that wasn't decided until Jeff Ziegler's win in the 185lb. weight class.

When it was over St. Christopher's had its first win ever over the Cougars. However, that match was merely the highlight of a great season. The record for the year was a sparkling 12-3, with only one of the losses coming in Prep League competition. Other high points of the regular season included a clean sweep in a quad meet against Gonzaga, Glenelg, and Good

Council.

The team headed to Woodberry for the Prep League Tournament on February 21 with high hopes, which were more than fulfilled by an impressive Saint performance. The prep league final featured six Saints. Robbie Pierro and Lake Taylor led the way with first place finishes, while Zack Matzanas, Tommy Lepert, Henry McVey, and Jeff Ziegler each gained a silver medal. Also placing for the Saints were Marc Nystrom (fourth) and Tom Grant, who, despite a slew of injuries, gutted out a consolation final victory for third place. In what turned out to be his last appearance of the year, Lake Taylor was named tourney MVP, as he finished the year a perfect 21-0.

St. Christopher's entered the State Wrestling tournament missing several wrestlers due to sickness, injury and minimester. Still, the Saints managed to turn in a very respectable showing. Placing for the Saints were: Robbie Pierro (5th), Zack Matzanas (5th), Jimmy Sanderson (6th), Henry McVey (6th), and Jeff Ziegler (3rd).

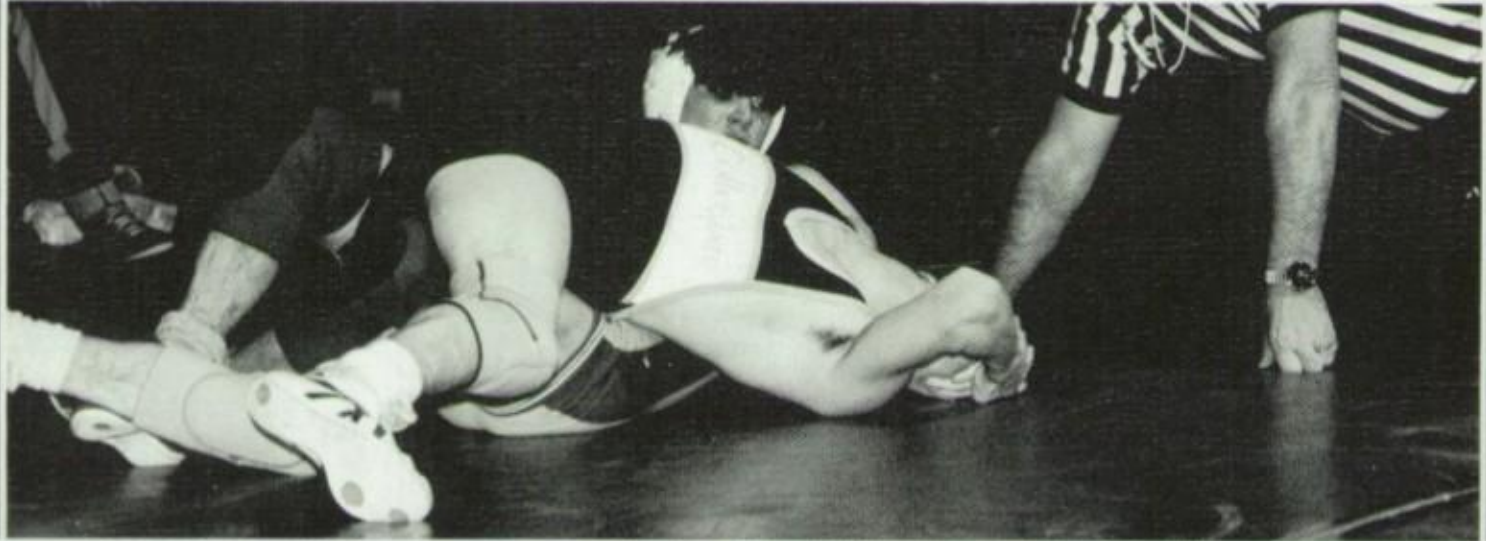

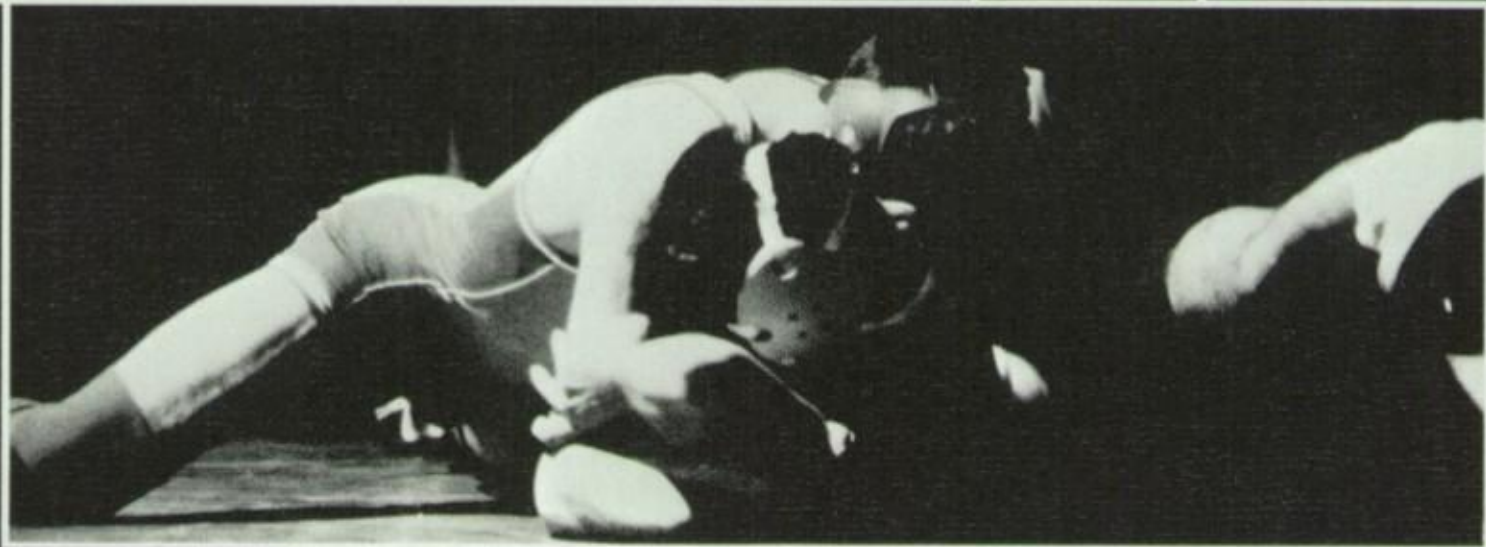

Most of the credit for a successful season should go to our Captains Henry and Tommy, and Coaches Paul Fehlner (selected as coach of the year in the Prep League), Wayne Booker, and Mike Eareckson. Wrestling seasons are long, grueling affairs. Thanks to the leadership of the coaches and captains we grew together over the course of the season, emerging at the end of the year unified not only as teammates, but also as friends.

The wrestling team would like to thank all the parents not only for being our best fans, but also for understanding when their son would have to skip another meal. We would also like to thank everybody in attendance at the Collegiate match; thanks to you it was the night that made a season we will never forget.

WINTER TRACK

The 1986-87 Winter Track Team

Coach Harris, Coach Boone, Coach Nystrom, Captain Ackerly, Coach Griffith, Captain Wright, Coach Boyd

A Team Effort

Maybe it was the "Magic Wand". Maybe it was Paul Shoaf's devoted love for the sport. Or maybe it was a core of determined veteran runners who led the 1987 Winter Track Team to a sparkling 2nd place finish in the Prep League Indoor Track championship at Woodberry Forest. Whatever the reason, this year's team certainly accomplished what it set out to do when it first gathered together in November.

The season itself had numerous highlights. Co-captain Ben Ackerly smoothly made the transition from the sprints to the middle distances, setting school records in the 500m (1:07.8), 600yd (1:17.3), and 600m (1:25.9). Colin "Mr. Pledge Talk" Wright, the other outspoken Co-captain, led an outfit of Bruce Nystrom distance runners rich in talent. Among them, Chris Neil, Harry Grymes, Will Maupin, and Frosh Harrier Alexander Ellis all posted outstanding times throughout the season. Filling in for Ackerly in the sprints was junior Paul Shoaf, the Richmond Metro Invitational 55 meter high hurdles champion, who, along with seasoned veteran Al Carter, scored critical points in the Long Jump. High Jumper Adrian Duke, despite a nagging knee injury, came on in the end of the season and managed to reset his '86 school record. Other notable performers included Renard Charity and Brian Stygar in the Shot Put, Charles Hamilton in the Pole Vault, middle distance ace Bill Laughlin, and rising superstar sprinter, eighth grader Rice Hall. And they all saved their best performance for last.

The Saints entered the new Barble center picked to finish 3rd or 4th. But what do coaches know? Paul Shoaf led an onslaught of outstanding individual efforts, scoring an incredible 28 points on the day while placing in five different events. Ackerly (600m) and Duke (High Jump) each took first in their individual specialties, and Will Maupin dusted the field on route to an incredible 1000m victory in a Meet and Barble Center record of 2:38.0. And after a disappointing Mile run Colin Wright fought back to take second in the Two Mile with frosh sensation Ellis coming in third. But by far the most inspirational effort came in the final event of the meet where a Saint's Mile Relay team of Neil, Laughlin, Maupin, and Ackerly defeated a highly touted and favored Tiger relay team to take first place and leave Woodberry Forest with a pyric victory of sorts.

The very next day Co-captains Wright and Ackerly left for Princeton University to run in the Eastern States Track Meet for which they had had barely qualified a few weeks earlier. Running on only two days rest, Wright ran to a top fifteen finish in the highly competitive 3200m, and Ackerly to a first place finish in the 600yd run, finishing with a school record time of 1:14.98.

Many thanks to coaches Boyd, Nystrom, and Griffith for their efforts, and may we never forget the jubilation of the 1987 Indoor Track Team.

Spring 1987

As the Raps and Taps goes to the presses, St. Christopher's once again finds itself high up in the Director's Cup standings. The Directors Cup, the annual contest based on overall athletic excellence in the Prep League, has long been dominated by the Saints, who have failed to finish first or second only once in the Cup's history.

The Director's Cup is determined by awarding points to each school depending on the finish of it's team in each sport. After the fall season, the Saints found themselves in third place, behind Woodberry Forrest and Collegiate. A strong winter season, however, catapulted the Saints past Collegiate into second place, six points behind league leader Woodberry.

Although six points is a large margin (particularly with only five spring sports), the Saints have traditionally strong spring sports and should not be counted out. All five spring Saint teams have a legitimate chance for a Prep League Crown. Good showings by these teams, combined with a Woodberry slip, could spell victory for the Saints in the 19th Directors Cup Race.

Coach Jeff Barclay, Captain Renard Charity, Captain Mathew Ott, Coach Andy Smith

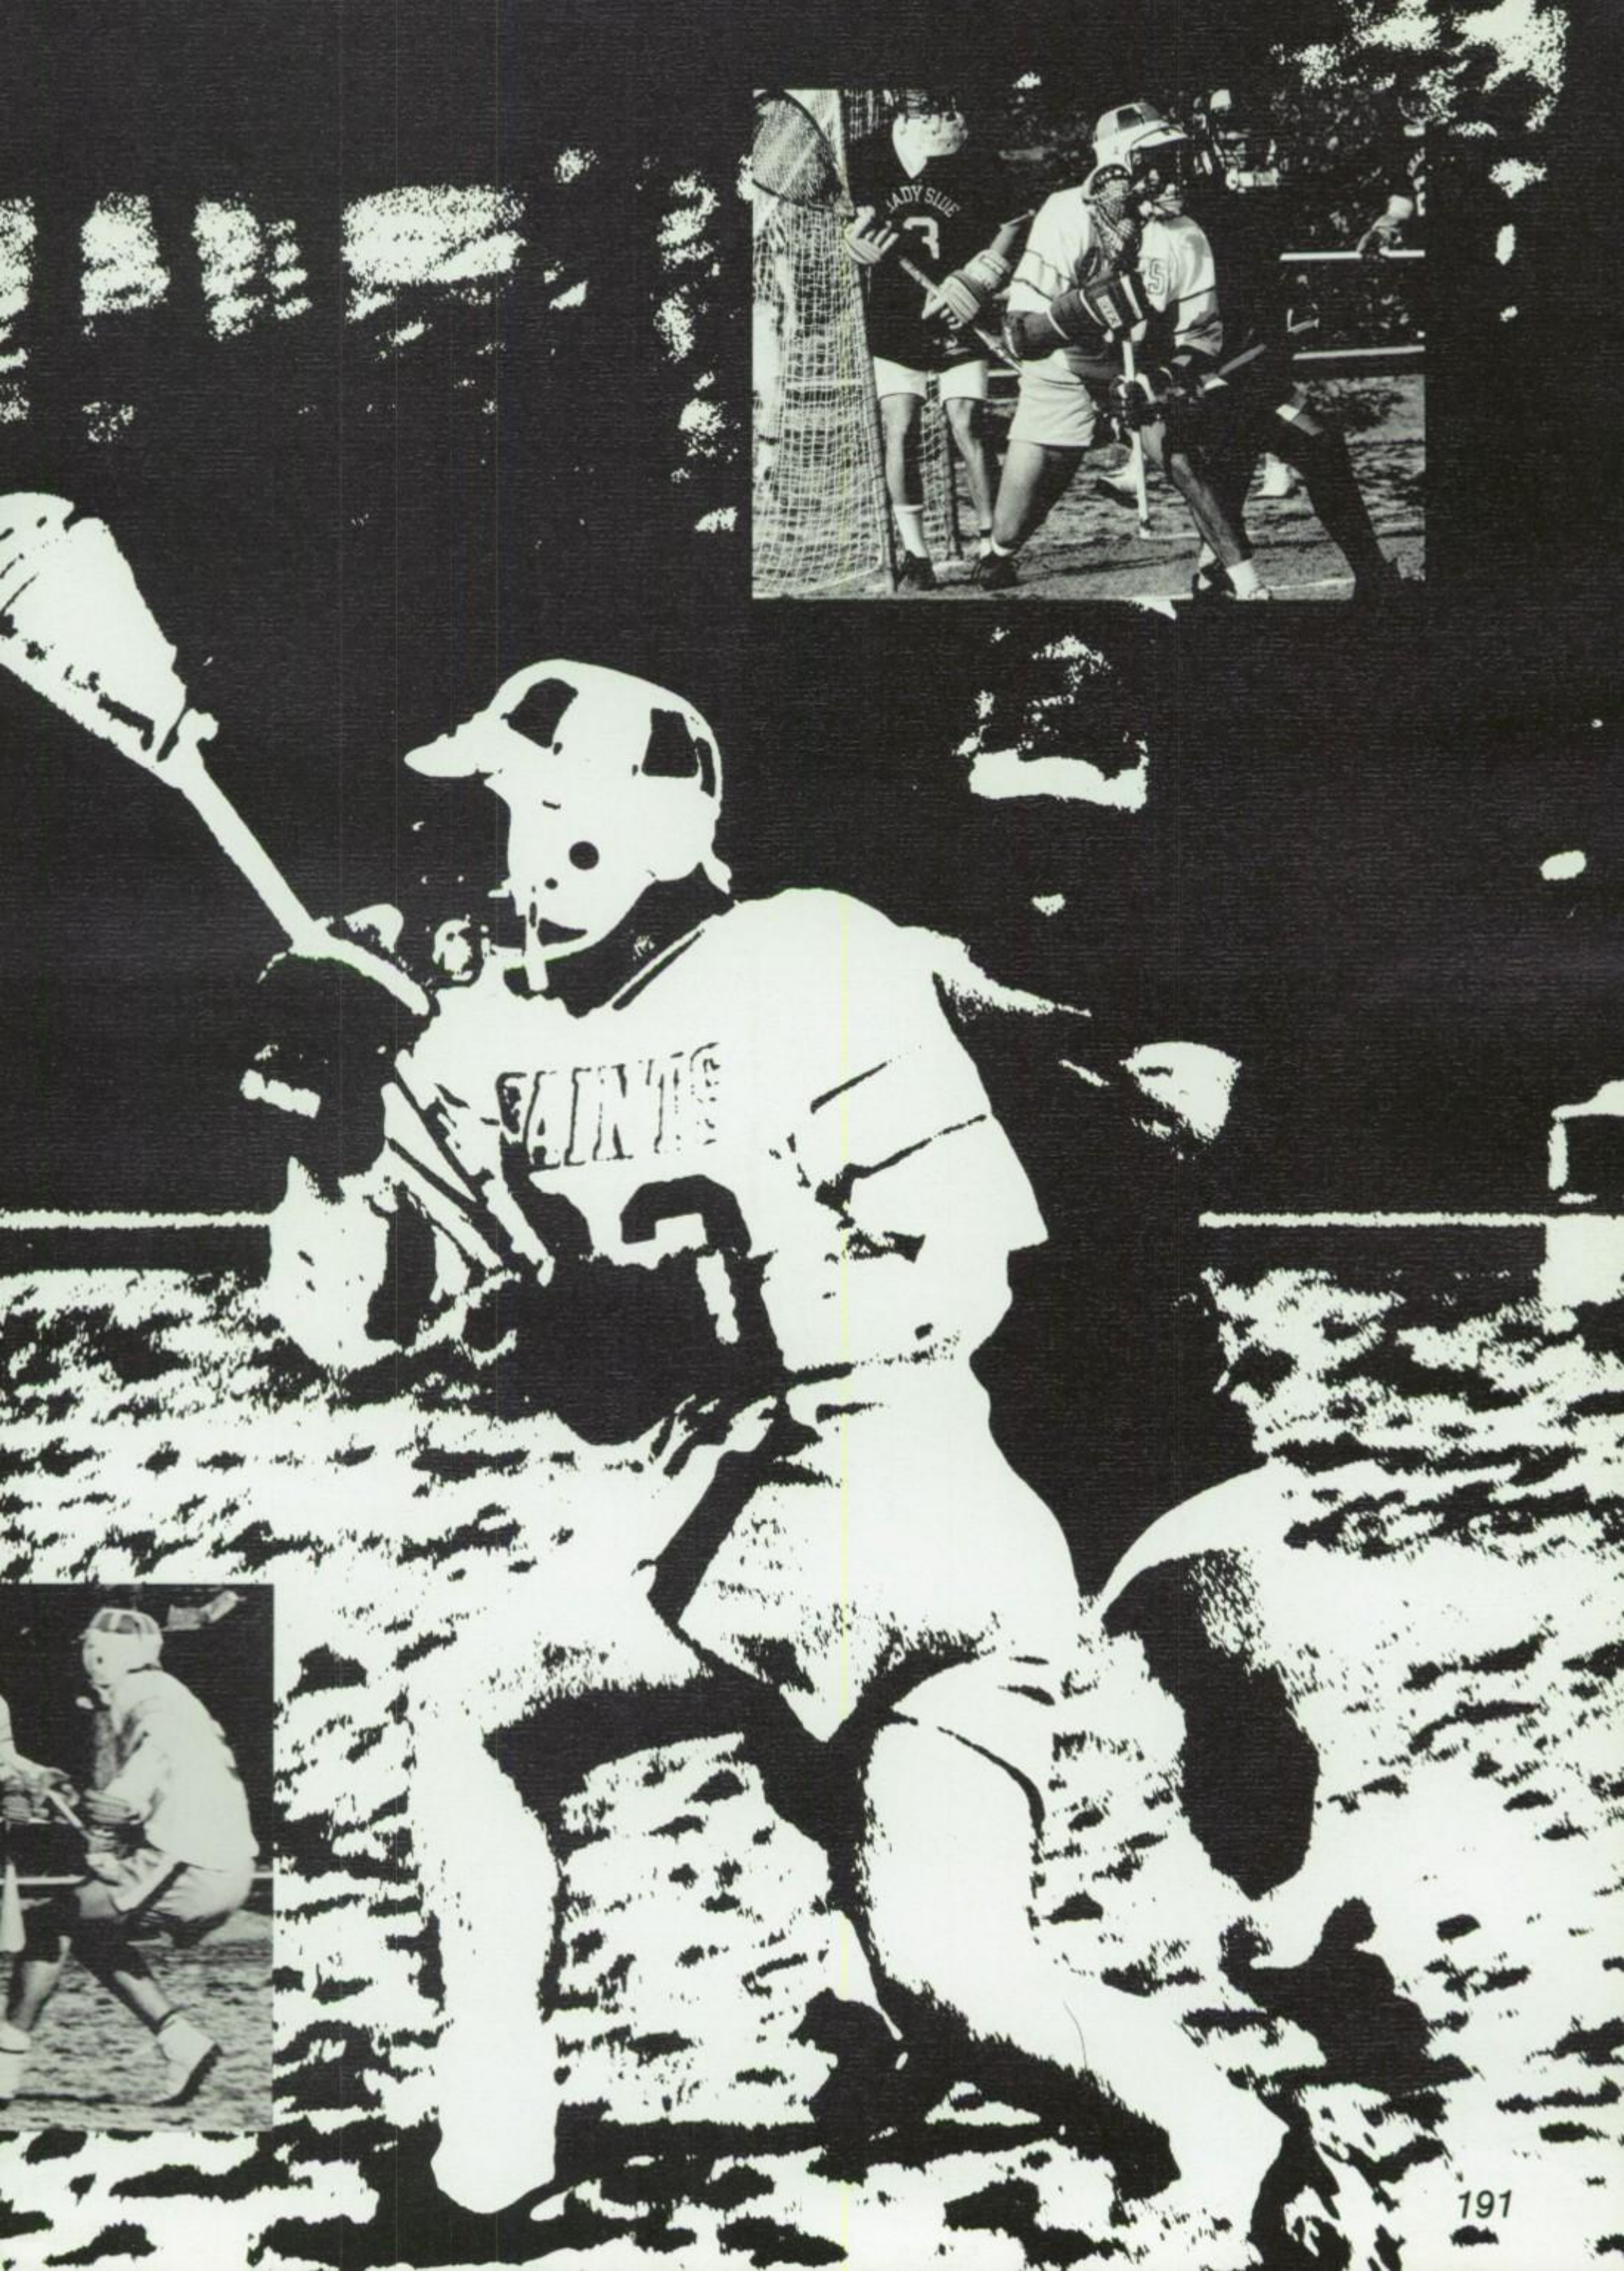

Lacrosse Hopeful

If this year's Varsity Lacrosse Team pulls together and performs as well as 1986's varsity squad, the school has a lot of excitement to look forward to this spring.

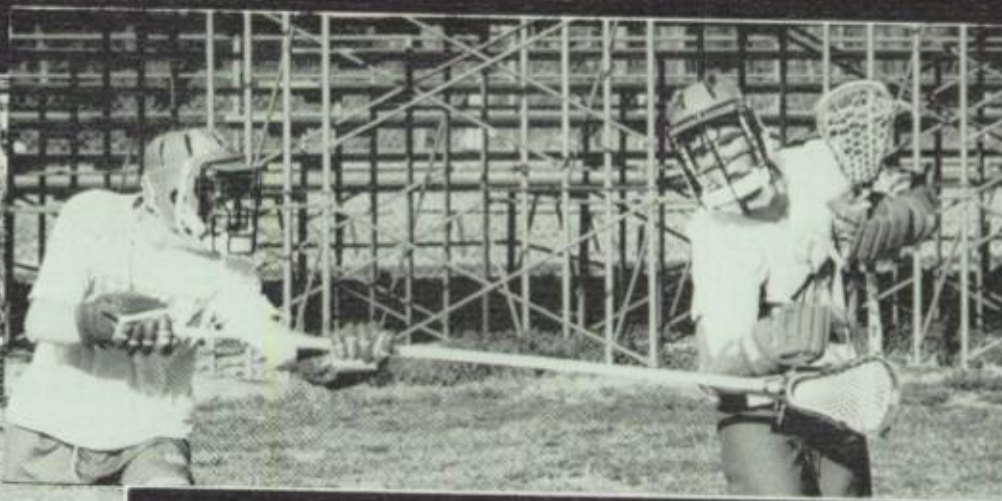

This year's team longs for the rematches with Norfolk Academy and EHS, the only two teams that beat the Saints last year. The 1987 squad also looks forward to the two Collegiate games and the game with STAB, the 1986 State Champions. One look at the team reveals a great depth of talent. At attack, John Street (All-Prep, All-State), leading point scorer from a year ago, returns to lead the offense along with returning-starter, crease attackman Peter Bowles, and feeder Lake Taylor, who came on strong at the end of last season. The defense features only one starter from last year, crease defenseman Co-Captain Renard Charity. Juniors Bill Berry, Cason Vaughn, and Greg Easley will vie for the two other starting positions, while senior Co-Captain Matt Ott will perform his duty in the cage. The midfield has depth again with seniors Henry McVey, Allen Ferguson, and Scott Wallace sharing the scoring duties. Taz Carrington and Austin Breckenbrough will also contribute after being converted to midfield from attack. Chip Larkin, John Williamson, and Bill Lamb hope to provide needed "beef" to the midfield, and the sophomores will fill in where needed.

The lacrosse team opens at Charlottesville High School April 3 to revenge last year's handicapped tourney loss. The Saints did win their scrimmage over Shady Side Academy 6-3, but showed room for improvement before the opener. The Saints would also like to improve upon their preseason rank, 6th, in the State. Who knows, maybe this year the Saints will earn that number 1 ranking and a State title for the first time in the school's history with hard work, determination, and aggressive, fast-paced play.

Baseball

Baseball Looks To Repeat

The Saints main goal this year is to repeat as Prep League Champs for the 3rd straight year. In order to succeed, the Saints are banking on solid pitching from their number one pitcher T. Bell. T. will have plenty of help in the form of three Juniors: John White, Patrick O'Ferrall, and Allan Wright. If these four pitchers perform to their potential, the offense's job will be a lot easier. Richard Reynolds, Allan Wright, John White, and Paul Gilman will provide the power hitting, while Stewart O'Keefe, O'Ferrall, and Tad Nelson will combine skill with speed. Bell and Gilmer Minor can be counted on to produce many hits in clutch situations.

On defense, the Saints will look for leadership from the sharp voice and flawless performance of senior centerfielder O'Keefe. Fighting for starting positions in left and right field will be Wright, Nelson, and Chris Mooz. The infield will be strong up the middle with returning starters O'Ferrall, and Gilman playing second base and shortstop respectively. Manning the corners will be the strong armed White at third and "Food" Reynolds at first. Returning starter Minor will be calling the signals behind the plate. Bill Allen and Chris Cullather should see a lot of time in the infield at third base, second base, and shortstop. Mark Orgain will add diversity on the field by playing in the outfield and at the catcher position.

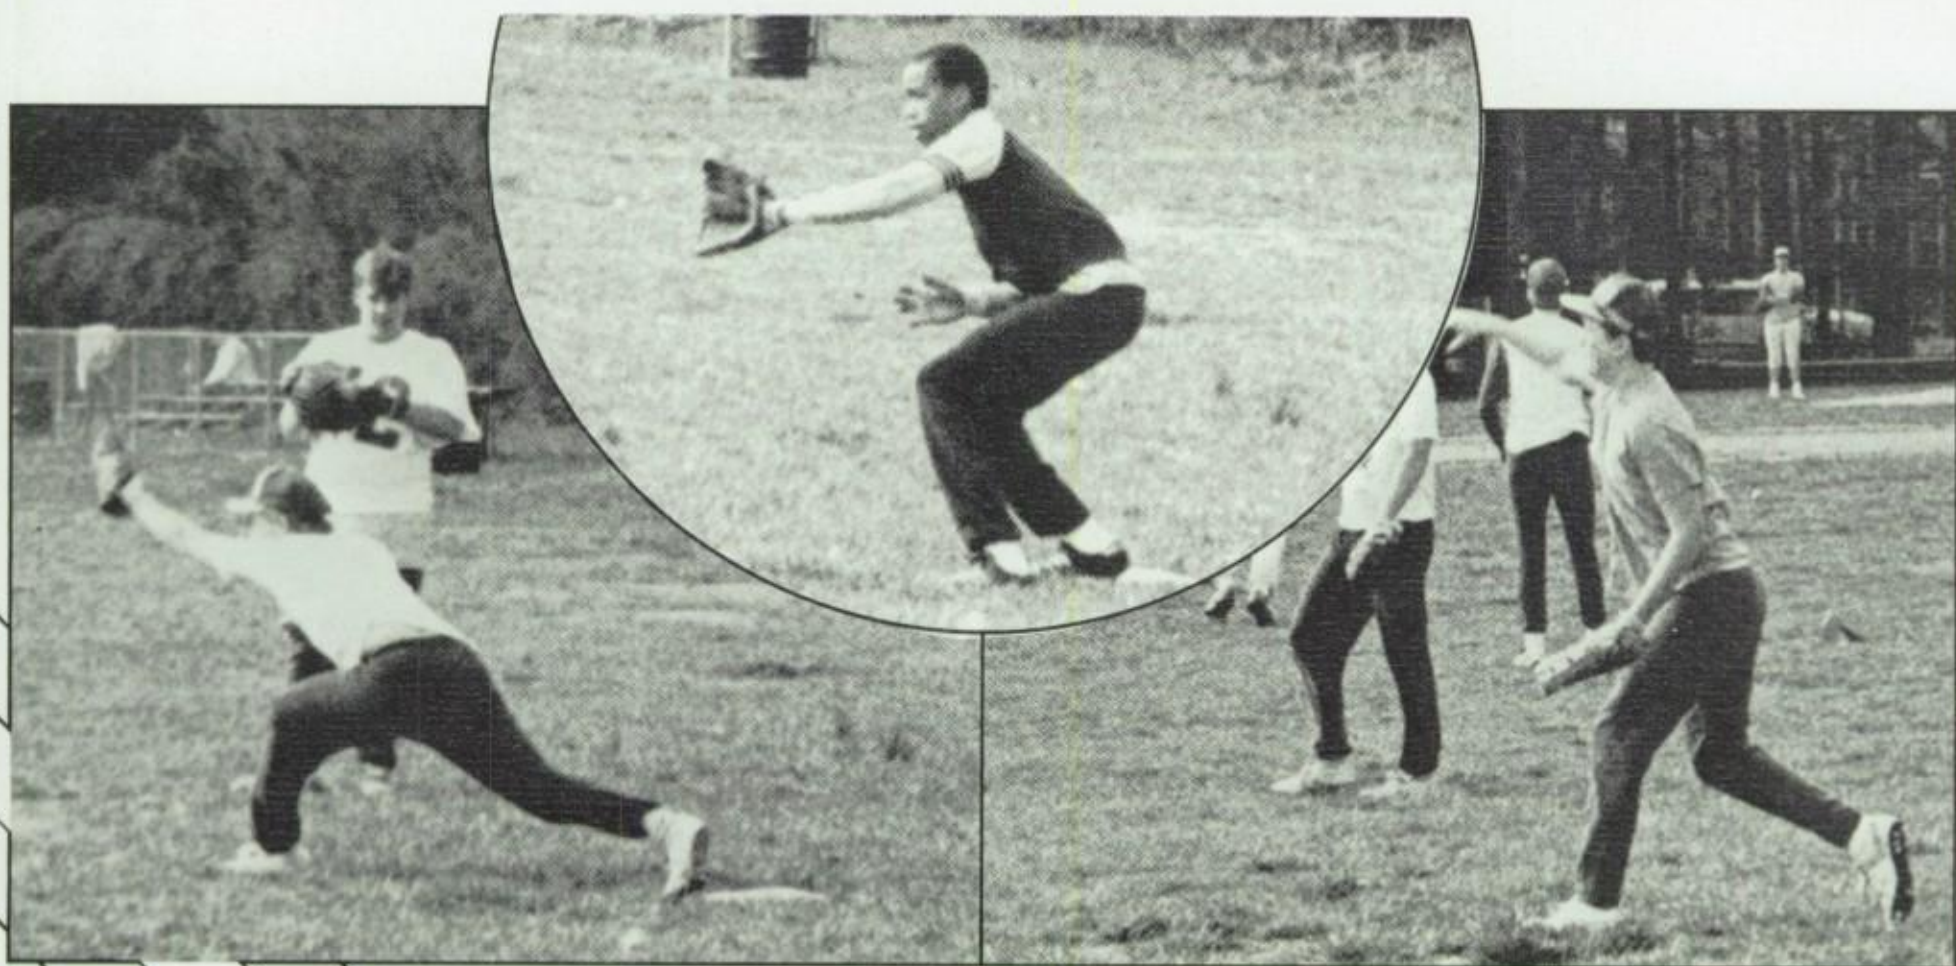

The team anticipates their toughest competition from Collegiate, Woodberry Forest, and Norfolk Academy. To boost their preparation, Bill White returns to prime the pitchers while newcomer Tony Szymendera will coach the infielders and help strengthen the hitting department. If the Saints pitch to their potential on the mound and hit consistently at the plate, Coach Bill Pegram could win a second Prep League Championship in two years of coaching at St. Christopher's.

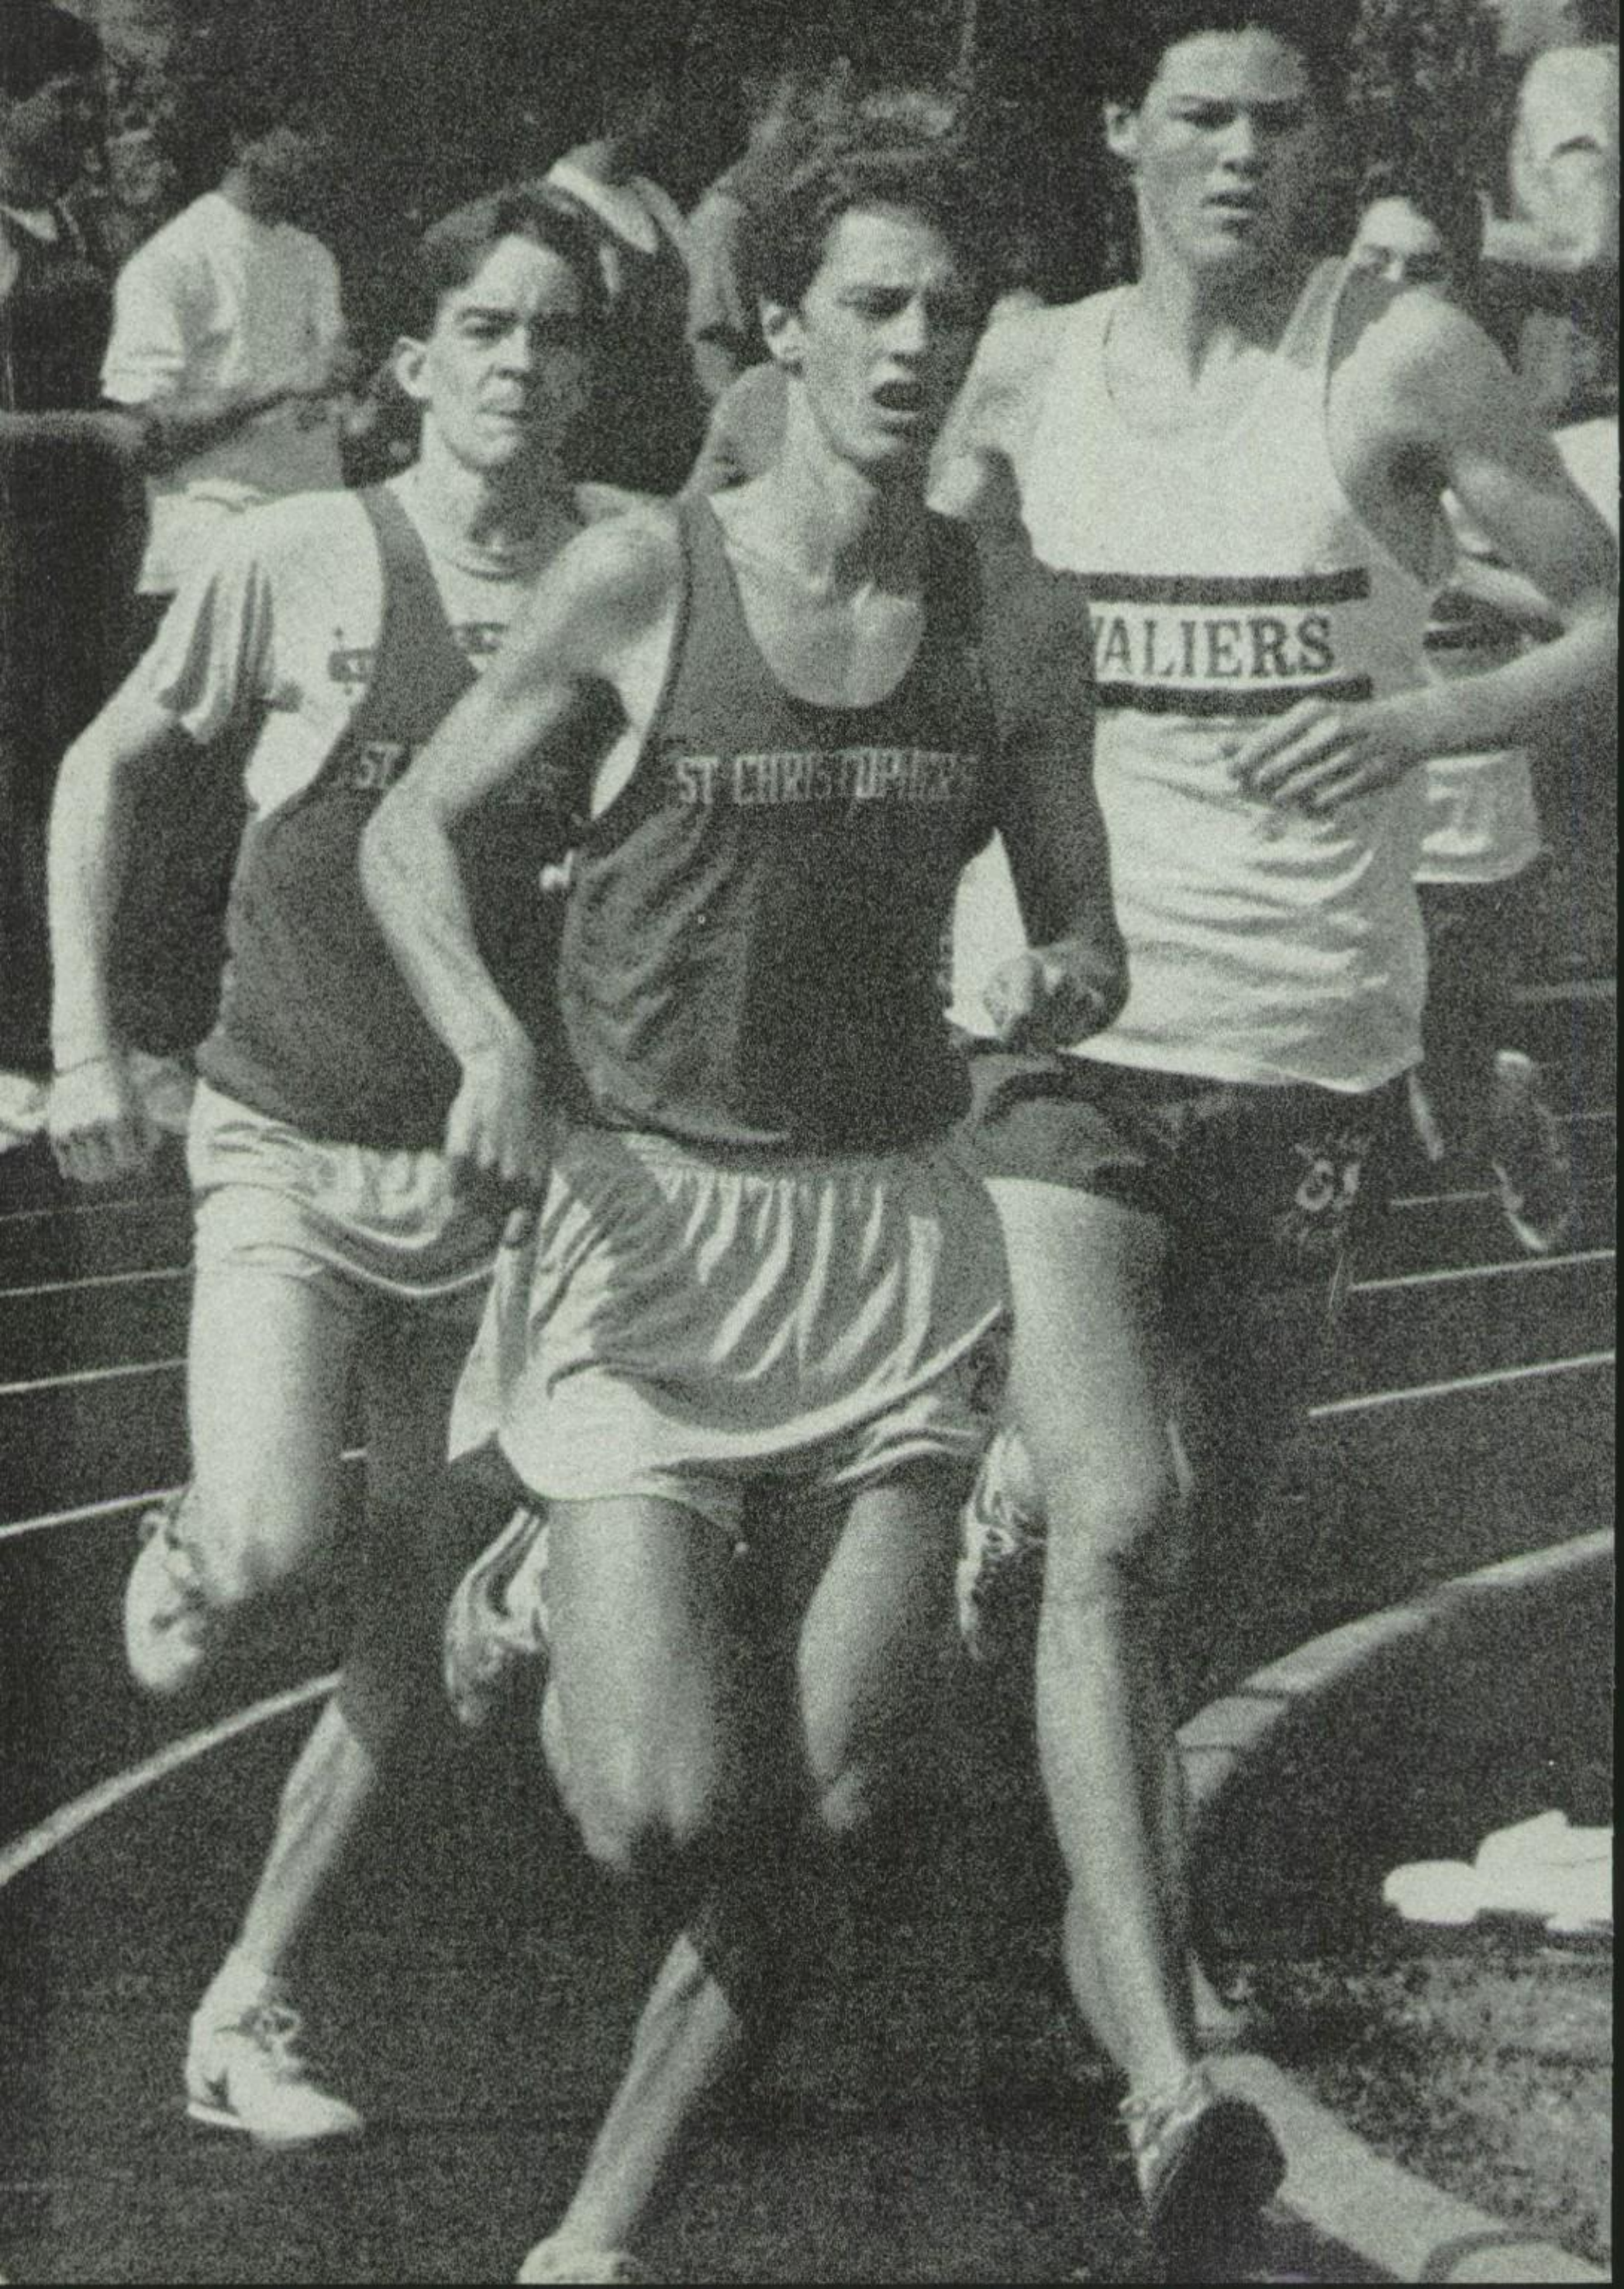

J. V. Baseball

Spring Track

Outlook Good For Spring Track

It's late March and time to gaze into a crystal ball and predict how the 1987 Track Team will fare. If early results are any indication, this could be the strongest Saint Track Team in recent times.

With two victories in two meets, the Saints appear well loaded and very deep. Back from All-Prep Winter seasons are a number of Saints. Adrian Duke (High Jump), Co-Captain Ben Ackerly (400m), Will Maupin (800m) should all be favorites to attain all league status in the league meet this spring. Similarly, the 1600m relay team will be looked to repeat it's All-Prep winter showing, while some fresh faces should make the 4 X 100 meter relay a legitimate contender as well.

The depth that makes these relays so successful should also tell in the individual events. Bill Laughlin has looked good early this spring in his specialty, the 400m, while another strong core of distance runners, including Co-Captain Colin Wright, Harry Grymes, and Chris Neil can take care of anything from the 800 to the 3200. In the shorter events Paul "I love Track" Shoaf, who scored more points than any other Saint in the winter returns to lend a hand in the hurdles, long and triple jumps, and 4 X 100 relay. The sprinters will also be helped by Michael Clark and Patrick O'Ferrell who played basketball during the winter season. The field events are also in able hands. Backing up Duke in the High Jump is Hugh Stevenson, who will be looked to score in the league meet. Al Carter and Shoaf look good in the Long and Triple Jumps, as do Sterling Henning (Pole Vault), and Jeff Ziegler (Shot, and Discus).

When the Winter Prep League Meet ended, St. Christopher's found themselves in 2nd place, only 16 points behind the winner, Woodberry. With everybody back from the winter, plus some fresh faces to add needed depth, there is no reason to believe the Saints won't reverse that order on Saturday, May 9, when the Spring Track Champions will be crowned.

Bobber, WAYNE, Bruce, "Our Fearless Leader" Benjamin Clarkson Ackerly, Jr., Douggie-poo, Cap'n Colin, Bungalo

First Row: Wyatt Little, Byron Parker, George Dunston, Chris Niel, Ben Cox, Harry Grymes, Colin Wright, Ben Ackerly, Buck Sessoms, Bill Laughlin, Charles Hamilton, Marc Nystrom, Brian Stygar, Hugh Stevenson, Adrian Duke, Billy Walker Second Row: Alexander Ellis, Greg Case, Gerry Quirk, Weber Smith, Michael Clarke, Paul Shoaf, Jeff Zeigler, Sterling Henning, Keith Clarke, Al Carter, Will Maupin Third Row: Temple Cone, Haskel Brown, Randy King, John Miller, Van Hardenburg, Billy White, Chad Zakaib, John Zakaib, Beret Wright, Jan Tittel, Eduard Williams, A.J. Varsity Tennis

Will Herring, Coach Henry Schechter, John Chichester, Chris Mumford, Chris Ford, David Jones, Jamie Guthridge, Mathew Farley, Jay Rogers, Ward Marsteller, Coach Rob Pasco, Rand DuPriest

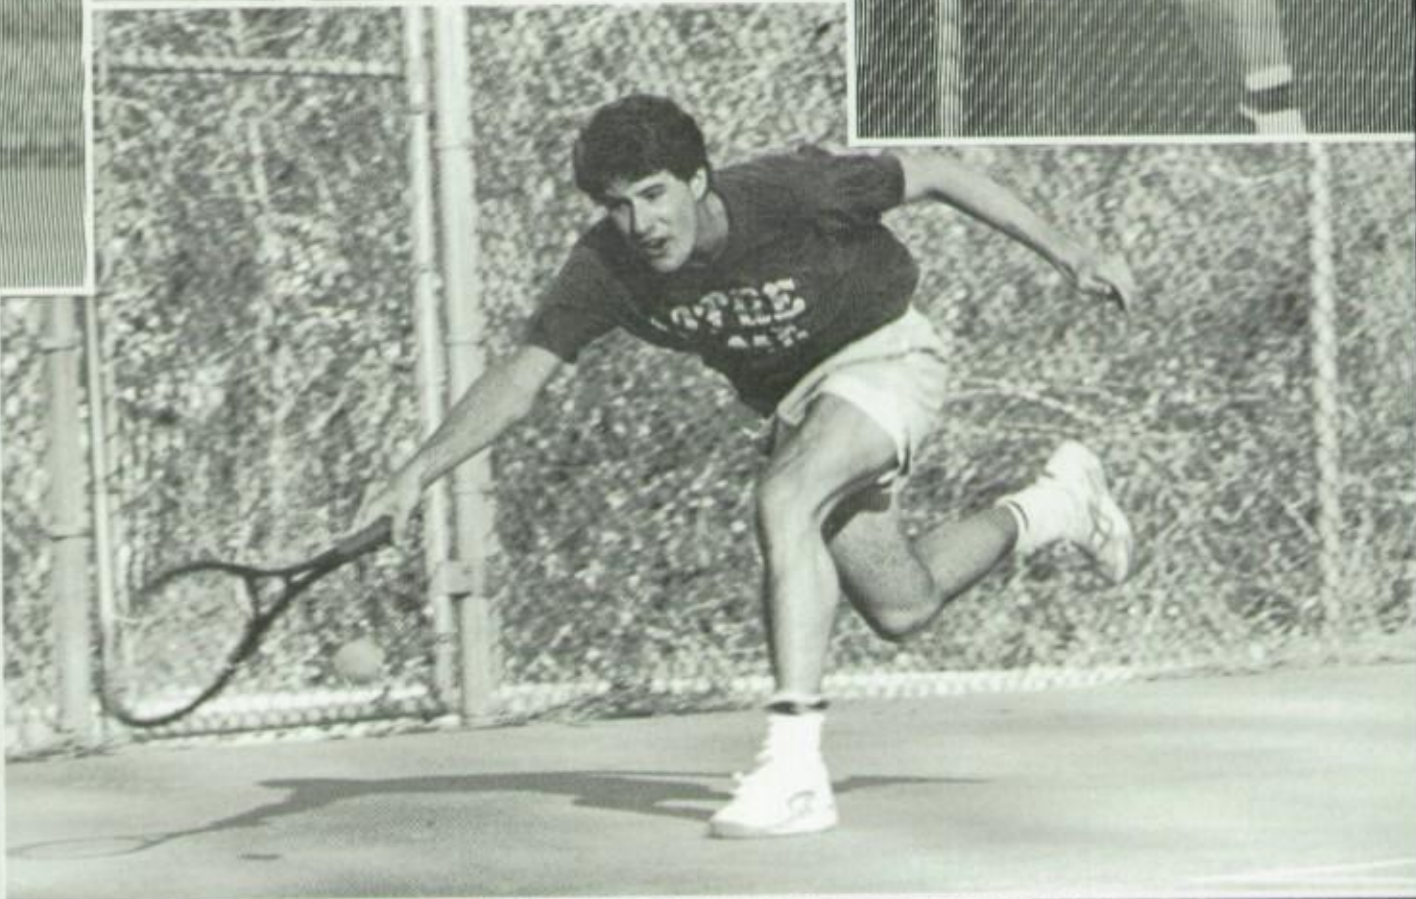

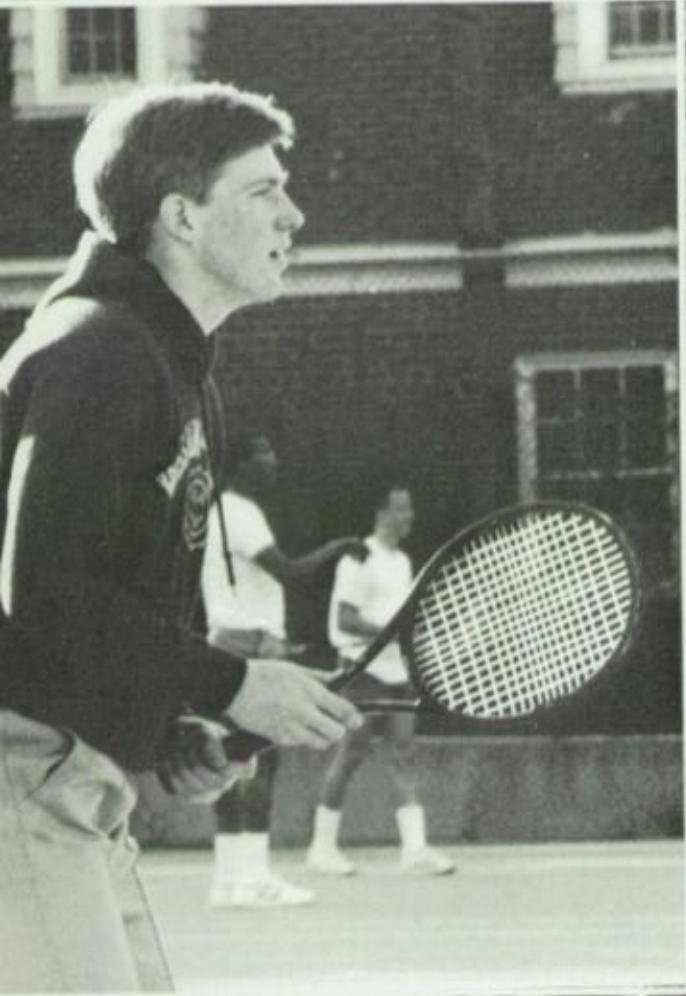

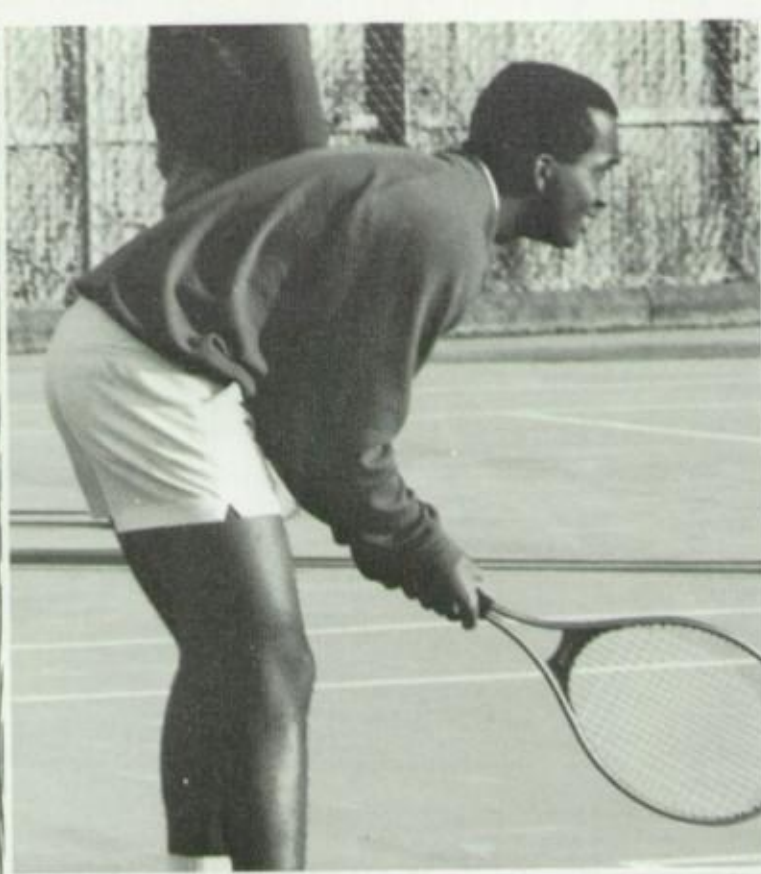

Tradition To Continue

Coming off a 17-0 season last year, the Varsity Tennis Team is the hands down favorite remain the only team ever to win the Prep League crown. To graduation the Saints lost Eddie Philips, Alex Forrest, and Kieth Mumford, three of the top four players.

Cole Durrill will be out for a good portion of the season with a knee injury. However, many players are returning including seniors David Jones (Captain) and Matthew Farley, Juniors Chris Mumford, Ward Marsteller, and Rand DuPriest, and sophomores Cole Durrill and John Chichester. Other team members who will prove to be very helpful are Will Herring and Chris Ford. The Saints won all their Prep League matches 9-0 and everyone on the team was awarded All-Prep Honors last year. Early this year the Saints defeated a tough team from Hotchkiss School; they anticipate strong teams from Landon, Georgetown Prep, and Navy in dual matches. This year the Saints are defending Woodberry Forest Invitational Champions and stand a good chance to capture the title again this year. Assuming the Saints do well at Woodberry, the team will once again travel to Durham, N.C. to try to win the national team tournament. Last year after defeating both Landon and the University School in dual matches the Saints finished a disappointing 4th in the nationals behind both. David Jones, Cole Durrill, and John Chichester were Prep League champions at numbers 1, 5, and 6 singles positions respectively. Coach Robert L. Pasco will once again have a loaded team as the Saints try to extend their 33 match winning streak.

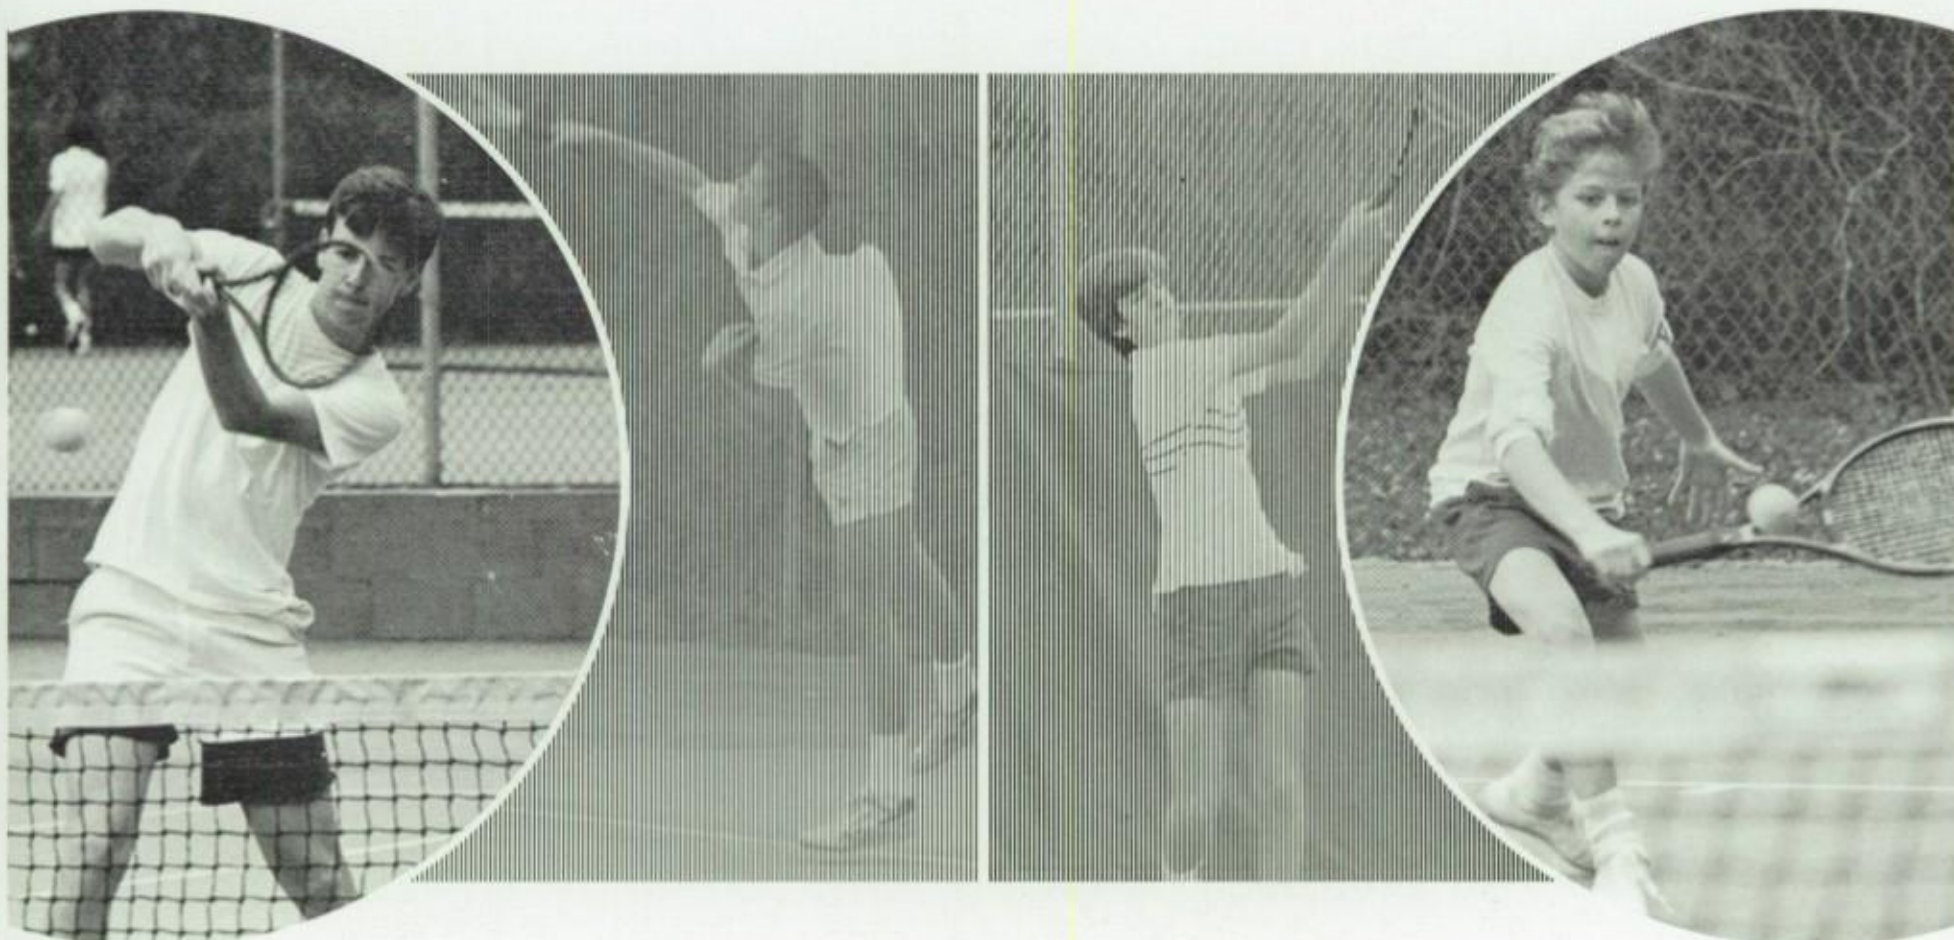

Coach Henry Schechter, Captain David Jones, Coach Rob Pasco

 Second Row: Stephen Stalker, John Morrisett, Brooks George, Matt Duke, John Berry, Ted Smith

Varsity Golf

Title Hopes

Championship, All-Prep, and other optimistic terms are popping up all around the preseason camp of the 1987 Varsity Golf Campaign. For the first time in six or seven years the Saints are one of three favorites to win the Prep League. Losing no starters and only one letterman, the Saints have twelve years of experience on the Varsity squad. Fifth year starter and second year captain Tim McCoy will provide the leadership needed to bring the league title. '85 All-Prep selection Will Power and Steven "Boz" Stalker All-Prep from a year ago, will headline a supporting cast which also features John Morrissett, Chris Carpenter, and Churchill Bowles. ceparker Davis and new comer Flynn Welch should challenge for a starting role throughout the season.

Last years team had a terrific 12-3 season. Losing by 1 stroke to Collegiate in thier duel match which was highlighted by the rowdy gallery at the tenth green. The opttomistic Saints headed to Woodberry for the tournament. Trailing Norfolk, Collegiate, and Woodberry after the first day, the red machine came out fired up for the final round. Easily surpassing Norfolk the Saints fell 1 stroke short of Collegiate and a distant 16 from the Forest. Finishing 3rd was disappointing for the young Saints, but the foundation for the future was set.

The four freshman of year ago have matured well and under close leadership from Coach Jack Bolling and Captain McCoy, the red machine looks to knock on the championship door. The up-coming season will be highlighted by an encounter with the British National Tourney Team in April and the Prep League Tournament in late May. This could be the year for the Saints, but if not they are surely only one year away.

FALL
FESTIVAL
1986

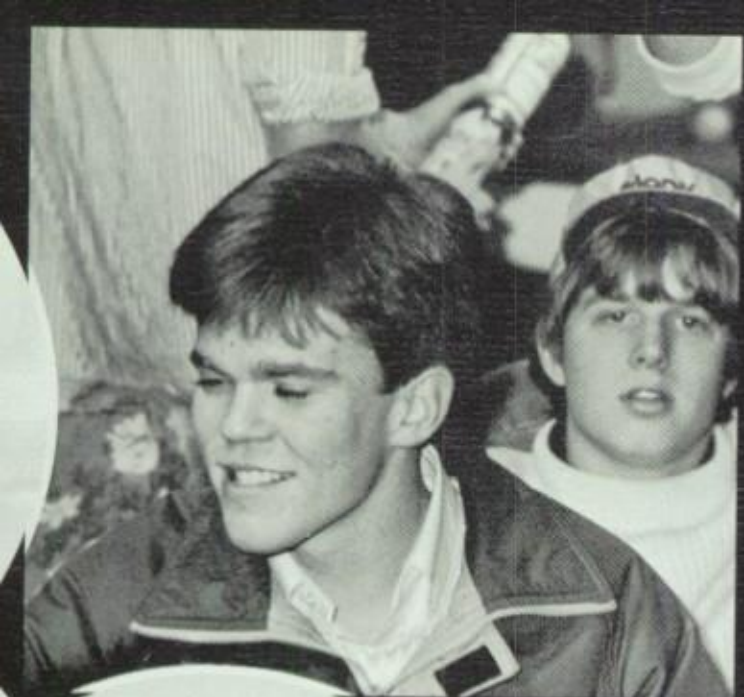

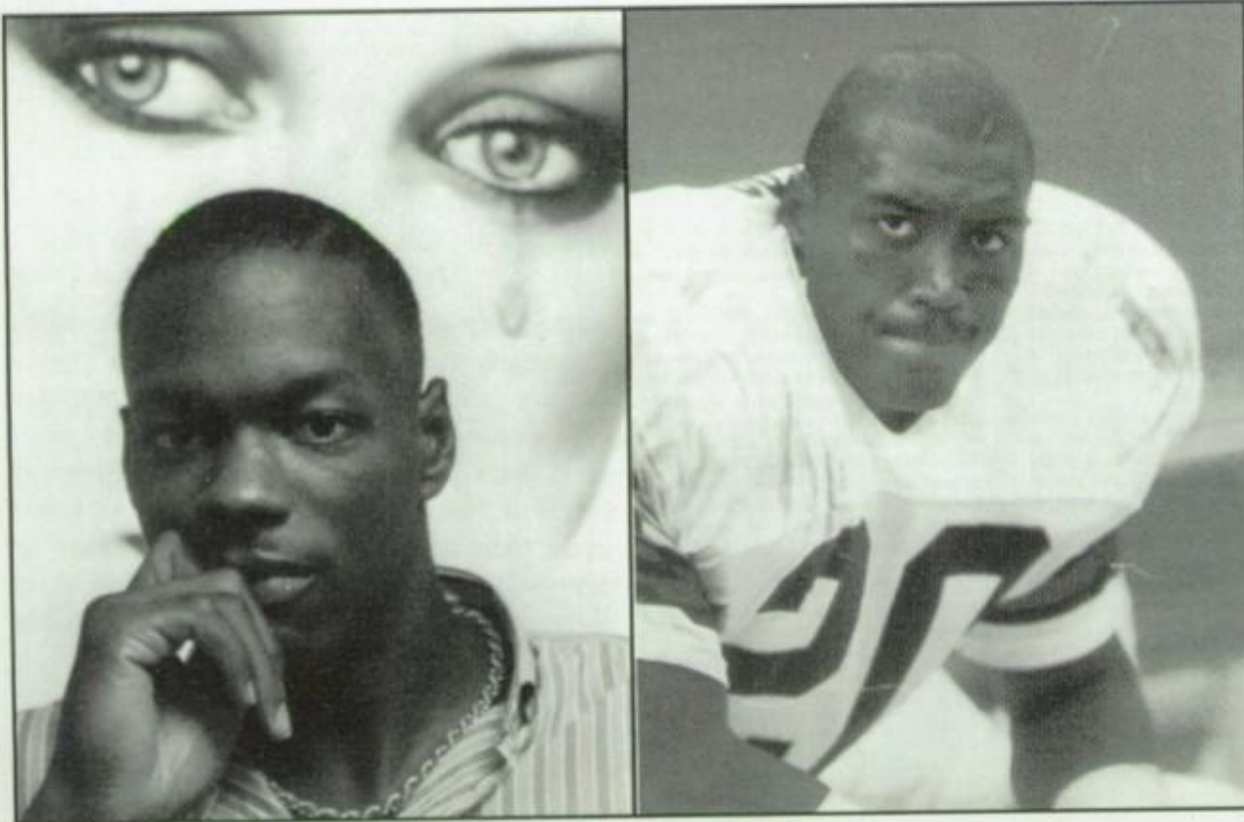

The Year in News

June, 1986 - March, 1987

A 28 minute fireworks show on the fourth of July climaxed a summer of patriotic pride as the nation celebrated Lady Liberty's 100th birthday.

Len Bias and Don Rogers, two sports superstars, died within days of each other from the effects of cocaine, awakening the nation to the perils of drug abuse.

On August 21, lethal gas escaped from a Cameroon volcano, killing 1,754 people and countless animals.

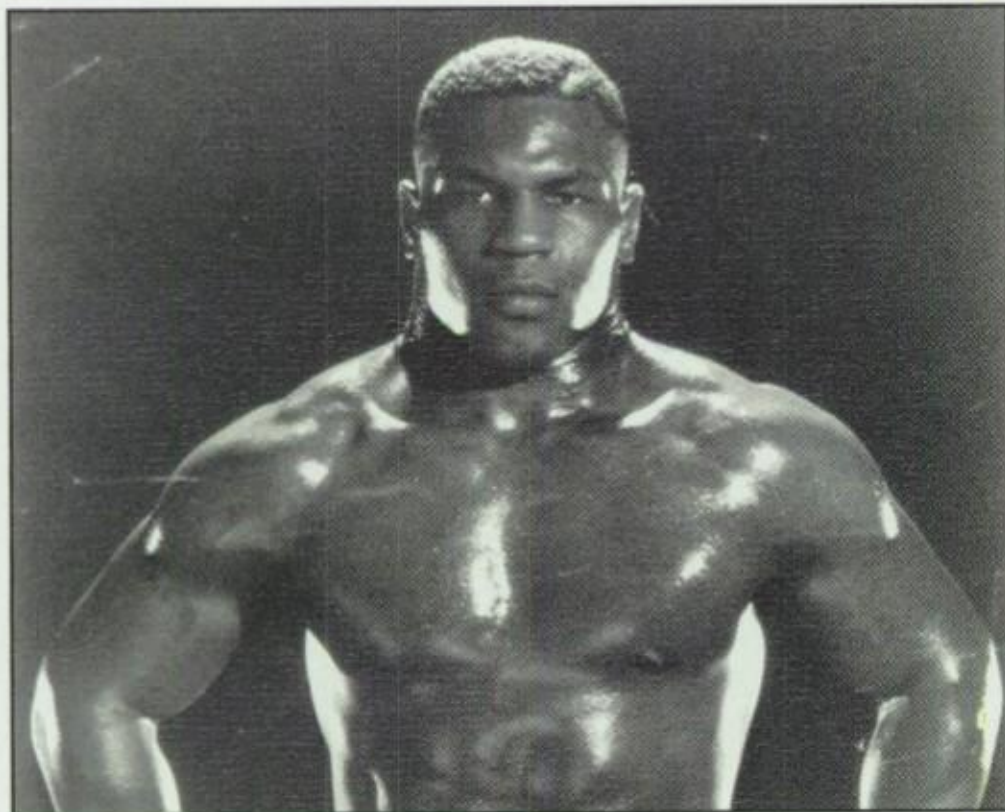

DAVID LETTERMAN

Why is this man smiling? Because it's so much fun to watch Snopd Pet Tricks and throw watermelons off five-story buildings (on camera). Because he's the only person alive who has persuaded newsmen Ted Koppel to balance a dog biscuit on his nose (on camera). Because his mad, mad, mad, mad talk show, *Late Night*, drew 3.7 million sleepless viewers. Because, as he succinctly explains, "Too nuts."

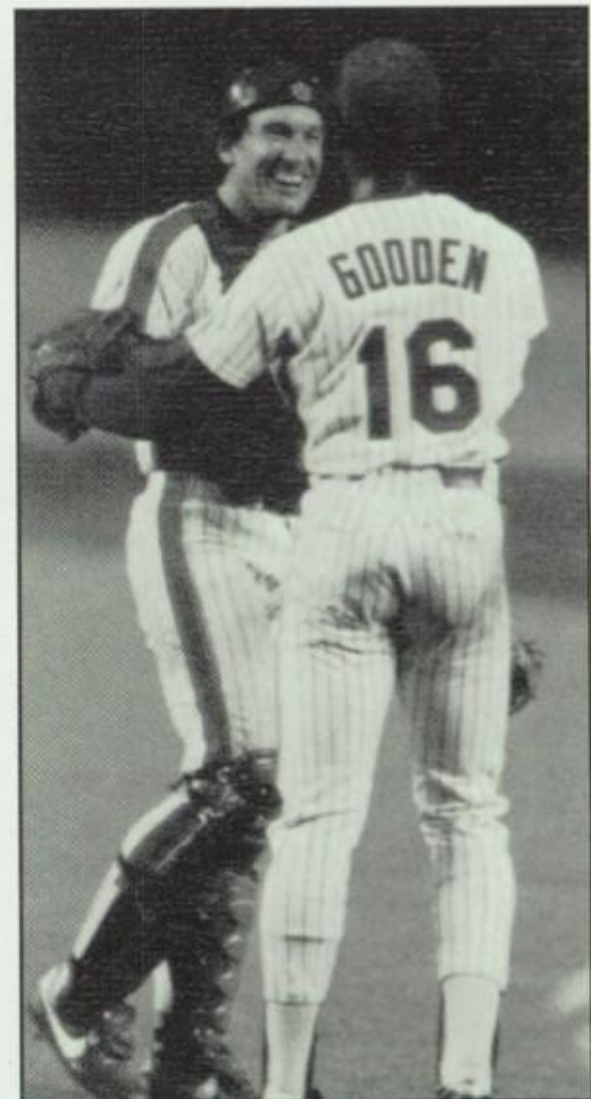

David Letterman gave VCR's a new use as his late night show burst into the limelight.

In August, tragedy hit a small Oklahoma neighborhood when a disgruntled postal worker killed 14 coworkers before turning the gun on himself.

With a record as impressive as his physique, Mike Tyson K.O.'d Trevor Berbick to become the youngest heavyweight champ ever at 20 years 5 months.

One pitch away from defeat, the New York Mets battled back to win an exciting seven game World Series over the Boston Red Sox.

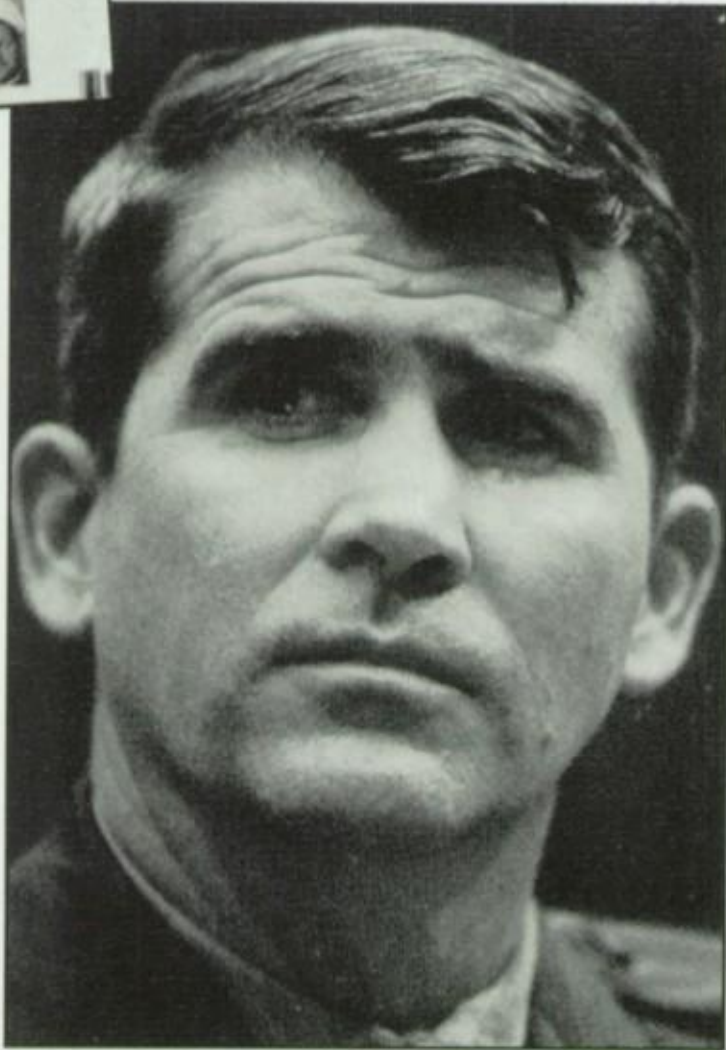

The South suffered through a summer drought that withered crops and destroyed livestock.

Ronald Reagan and Mikhail Gorbachev met for historic arms talks in Iceland.

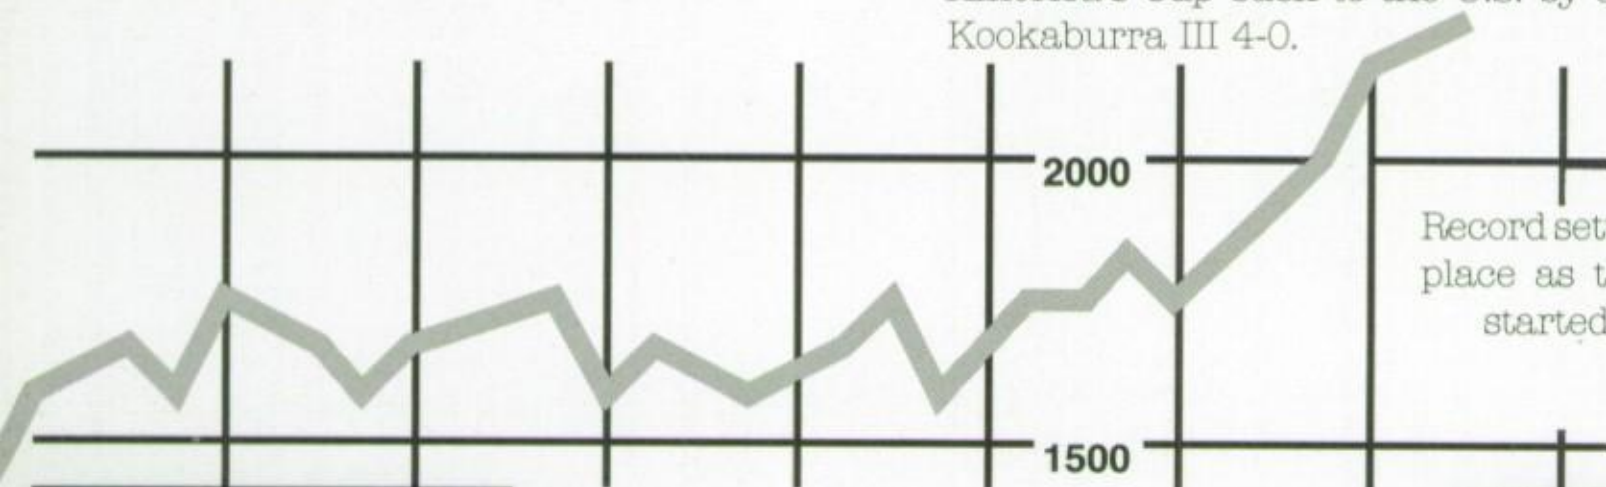

The Year in News

A bizarre arms scandal with Iran and slush funds for the Nicaraguan contras shook the White House.

Dennis Conner and the crew of Stars and Stripes brought the America's Cup back to the U.S. by defeating the Australian Kookaburra III 4-0.

Record setting days were commonplace as the Dow Jones Average started 1987 on a bull run.

Dick Rutan and Jeana Yeager flew the experimental aircraft, Voyager, around the world on a single tank of gas.

The largest war of the 80's, the Iran - Iraq war, continued to drag on around the Persian Gulf.

Richmond was hit by two major snowstorms in four days, forcing most of Richmond (and all of St. Christopher's) to shut down.

The Year in News

AIDS continued to be in the news, as the deadly disease took another superstar victim, pianist Liberace.

In January Super Bowl MVP Phil Simms led the Giants to a 39 - 20 victory over the Denver Broncos in another Super Bowl yawner.

1997
The world is different.
The dream is the same.
Let freedom ring.

AMERIKA

The week-long miniseries Amerika, which aired in February, shocked the nation with its portrayal of a Russian invasion and takeover of the U.S.

FM 88 91 94

The new FM 92.7 rocked Richmond, replacing the defunct LAZER.

In the theater, "Platoon" was touted as the most realistic war movie ever finally awakening the nation to the realities of Vietnam.

Good Luck form All of Us

**Our Interest
Checking Is MOST
Convenient.**

Investors Interest Checking pays interest on every dollar in your account, regardless of your balance. And your interest increases as your balance goes up. There's no service charge as long as you maintain a \$500 minimum or \$1,000 average balance.

What's more, our Interest Checking is as convenient as it is profitable. Because you can withdraw cash from your account at any MOST® or Transact automatic teller.

Leadership

It's not always being the biggest.
It's always striving to be the best.

It's never being comfortable with
the status quo. It's seeking new
challenges.

It's setting a standard of performance
that inspires associates and challenges
competitors.

Being a leader is a lot tougher than
being a follower.

*If you're looking for a financial advisor
who shares your commitment to leadership,
come to us.*

*We're one of the leading investment banking
and financial services firms in the Southeast.*

THE BEST BUILT \$265 BUNK BED EVER MADE.

A This End Up bunk bed will never shake, rattle or roll. No matter how hard it's rocked.

Each bunk bed is a signed original built by a single craftsman from start to finish. And made out of solid wood. So while others have copied our style, none have matched our workmanship.

That's why our furniture looks great. And lasts forever. And because we sell it in our own stores and deliver it in our own trucks, we can offer very comfortable prices.

We have over 140 stores nationwide with furniture for every room in the house. And an incredibly solid, secure bunk bed. One that helps you sleep a lot better at night.

Busted Pasco!

Editor's Note

We sought untested innovation enmeshed in invaluable tradition. Such an approach had never before been synchronously illustrated in a Raps and Taps.

Despite the expansive coverage this book provides, many stories have passed without printed recognition. None of us will forget the eventful all-nighter highlighted by a thorough lambasting from a livid Baker robed in chest hair and rayon boxers. For such an uproarious melee the staff offers its deepest condolences and hopes the Misses didn't lose excessive amounts of her beauty sleep. Despite deadline after begrudging deadline, the unconquerable Taps' spirit never waned. Riding the crest of this *esprit de corps* in mid-December we installed a fish tank in our spartan and impulsively designed office. The tottering, decrepid couch sailed out the window as we refurnished the room with a sleek, black leather love sofa. Here a certain member of the Raps and Taps staff later found himself deep in concentration on pursuits not so directly related to the looming deadline. Coincidentally, we offer Ben

our deepest sympathies as he didn't have such a luxurious couch during the summer yearbook seminar at J.M.U. However, we do maintain hope that he managed to get comfortable.

Yes, we did have our minor squabbles and our hair raising brawls for that matter. Tempers escalated over the proposition of "Illegal" yearbook sales. At one heated point our business managers pondered relinquishing the post; had they done so, we'd be thousands of dollars in debt.

Ultimately, we have matted out our executive conflicts and compiled what we hope to be St. Christopher's most diverse, captivating, and expensive yearbook ever. For these seemingly insurmountable accomplishments we the editors have many people to thank. Without David's never disputed devotion and vigilante character there would be no 1987 Raps and Taps. Many other individuals offered much needed guidance and aid: Mr. Bolling, Mr. Kennedy, Henry, Billy, Marc, Robin, and ...Peter(?).
